Himmler:

Heinrich Himmler Peter Longerich,2011-10-27 As head of the SS chief of police Reichskommissar for the Consolidation of Germanness and Reich Interior Minister Heinrich Himmler enjoyed a position of almost unparalleled power and responsibility in Nazi Germany Perhaps more than any other single Nazi leader aside from Hitler his name has become a byword for the terror persecution and destruction that characterized the Third Reich His wide ranging powers meant that he bore equal responsibility for the repression of the German people on the home front and the atrocities perpetrated by the SS in the East Yet in spite of his central role in the crimes of the Nazi regime until now Himmler has remained a colourless and elusive figure in the history of the period In this the first ever comprehensive biography of the SS Reichsf hrer leading German historian Peter Longerich puts every aspect of Himmler s life under the microscope Masterfully interweaving the story of Himmler s personal life and political career with the wider history of the Nazi dictatorship Longerich shows how skilfully he exploited and manipulated his disparate roles in the pursuit of his far reaching and grandiose objectives In the process he illuminates the extraordinary degree to which Himmler s own personal prejudices idiosyncrasies and predilections made their mark on the organizations for which he was responsible especially the SS which in so many ways bore the characteristic hallmarks of its leader and whose history remains both incomplete and incomprehensible without a detailed and intimate knowledge of its deeply sinister commander in chief

Himmler Willi Frischauer,2016-10-27 Originally published in 1953 this masterly study of Heinrich Himmler is a forceful dispassionate analysis of a man who rose from obscure beginnings as an agricultural student to a position of almost absolute power until in the Nazi twilight he challenged Hitler himself Outwardly insignificant diffident possessing neither the flamboyance of Goering nor the incisiveness of Goebbels Himmler head of the dreaded Secret Police yet made himself the man most feared in the Nazi hierarchy and as much by his friends as his enemies Only when the incredible facts about Himmler s extraordinary hold over his colleagues became known were the full depths of the infamy to which Nazism had brought Germany revealed Based on journalist Willi Frischauer s unique knowledge of the background and sequence of events which gave rise to the Hitler regime he manages to unearth the evidence building up stone by stone the mosaic of Himmler s true portrait A fully documented and unforgettable narrative

Heinrich Himmler Rolf Michaelis,2017-04-28 All of Heinrich Himmler s roles and official positions are described in detail

Heinrich Himmler Roger Manvell,Heinrich Fraenkel,2007-09-17 Authors Roger Manvell and Heinrich Fraenkel notable biographers of the World War II German leaders Joseph Goebbels and Herman Goring delve into the life of one of the most sinister clever and successful of all the Nazi leaders Heinrich Himmler As the head of the feared SS Himler supervised the extermination of millions Here is the story of how a seemingly ordinary boy grew into an obsessive and superstitious man who ventured into herbalism astrology and homeopathic medicine before finally turning to the science of racial purity and the belief in the superiority of the Aryan people *The Private Heinrich*

Himmler Katrin Himmler, Michael Wildt, 2016-03-08 At the end of World War II it was assumed that the letters of Heinrich Himmler were lost Yet sixty years after Himmler's capture by British troops and subsequent suicide the letters mysteriously turned up in Tel Aviv and in early 2014 excerpts were published for the first time by the Israeli newspaper Yediot Aharonot providing a rare if jarring glimpse into the family life of one of Hitler's top lieutenants while he was busy organizing the mass extermination of the Jews It was generally held that Himmler once appointed head of the SS blended seamlessly into the Nazi hierarchy The image that emerges however is more subtle Himmler is seen here as a man whose observations can often be characterized by their unpleasant banality a man whose obsession with family life ran alongside a brutal detachment from all things human a serial killer who oversaw the persecution and extermination of all Jews and other non Aryans and those opposed to the regime His letters remove any doubt that he was the architect of the Final Solution and a man who was much closer to Hitler than many historians previously thought The letters in this edition were arranged by Katrin Himmler the great niece of Heinrich and Marga Himmler and Michael Wildt a renowned expert on the Nazi regime who also provide historical context to the letters and their author The entire work was translated by Thomas S Hansen and Abby J Hansen

The Himmler Brothers Katrin Himmler, 2007 Once upon a time the Himmlers were just a normal German family middle class hard working well educated There were three brothers Gebhart Heinrich and Ernst Heinrich grew up to become the head of Hitler's SS mastermind of the concentration camp system and chief perpetrator of the Holocaust When Katrin Himmler Heinrich's great niece was 15 one of her schoolmates asked during a history lesson if she was related to the Himmler Yes she stammered at which there was a deathly hush in the classroom and the teacher embarrassed and unsure quickly moved the lesson on As she grew older Katrin gave her family history a wide berth but married to an Israeli whose family was confined to the Warsaw Ghetto and with a young half Jewish son she realizes that she cannot evade the past so easily Katrin Himmler's cool but meticulous examination of the Himmler story reveals in all its dark complexity the gulf between the normality of bourgeois family life and the horrors perpetrated by one member and a more nuanced portrait of Heinrich himself emerges not a lone evil executioner but a middle class family man loved and fully supported by his respectable German family *Heinrich Himmler* Bradley F. Smith, 1971 **Himmler's Auxiliaries** Valdis O. Lumans, 1993 A comprehensive study of relations between Nazi Germany and the Volksdeutsche Germans estimated at ten million in number who comprised minority populations in other European countries Lumans examines these relations within the context of Hitler's foreign policy and the racial policies of Heinrich Himmler chief of the SS Annotation copyright by Book News Inc Portland OR **Heinrich Himmler** Peter Longerich, 2012 A biography of Heinrich Himmler interweaving both his personal life and his political career as a Nazi dictator **Himmler's Third Reich. abstract An examination of Himmler's effect on Nazi Germany with a focus on his involvement with the medical experiments the Nazis conducted during World War Two Includes direct proof of Himmler's involvement including letters written by Himmler ordering the medical experiments *Heinrich Himmler* Roger Manvell, Heinrich Fraenkel, 1965 This volume presents a biography of one of the most clever and successful of all the Nazi leaders Heinrich Himmler 1900-1945 As head of the Nazis feared SS and the sadistic Gestapo Himmler supervised the extermination of millions This is the story of how a seemingly ordinary boy grew into an obsessive and superstitious man who ventured into herbalism astrology and homeopathic medicine before finally turning to the science of racial purity and the belief in the superiority of the Aryan people Himmler's unlikely rise to power eventually made him the second most powerful man in Germany Understanding this sinister life helps us understand a political party and a nation capable of horrendous crimes against the world and humanity

Heinrich Himmler Max Williams, 2014 I was following orders The answer most commonly quoted by SS men accused of atrocious crimes after Germany had surrendered in 1945 But who gave those orders Who was the mastermind behind the sophisticated machinery which allowed men from normal family backgrounds to kill on such a scale The right man at the right time fate steered Heinrich Himmler to take control of an organization destined to carry out Hitler's racial policies This study not only sets out in detail how Heinrich Himmler's daily routine allowed him to implement Nazi strategy but it also provides illustrations of the man behind much of it both at work and at home Of all the personalities of history demonized by postwar writers Heinrich Himmler ranks among the most reviled His legacy is one of hatred violence and cold blooded murder on a vast scale A Jekyll and Hyde character variously described by his generation and those who followed as charming loyal polite a pedant an eccentric an organizational genius a fool a desk killer and a loving father The camera allows us into his world albeit temporarily and we can equate his busy but mostly mundane schedule with contemporary images frozen in time REVIEWS text as engaging as the illustrations and highly recommend this marvelous book to all who think they've seen everything about Heinrich Himmler Military Advisor Göbbels, Himmler and Göring Andrew Sangster, 2019-01-18 This book contains the biographies of Hitler's three henchmen Göbbels Himmler and Göring the longest loyal servants of Hitler It utilises both older biographies because of their insights and more recent scholarly publications as well as diaries such as those of Göbbels and Ciano The volume illustrates that Göbbels support was three fold in campaign managing propaganda and myth building Himmler's terror apparatus suppressed occupied Europe and controlled Germans ensuring that Hitler retained power Göring's control of the economy and the Luftwaffe and his personal support of Hitler were critical as demonstrated by his trial at Nuremberg but he was the weakest link from 1940 as he became virtually ineffectual In addition and new to this area of study the book introduces the work of Stephen Roberts an academic who

actually met these men in 1936 and whose insights are revealing The volume also examines the question of their mental stability in the light of psychopathic studies [The Murder of Heinrich Himmler](#) Krzysztof Drozdowski,2026-01-30 On 23 May 1945 Heinrich Himmler Reichsführer SS and one of the most powerful men in Nazi Germany was reported to have committed suicide in British custody But how much of the official narrative holds true In [The Murder of Heinrich Himmler](#) historian Krzysztof Drozdowski delves into inconsistencies and unanswered questions surrounding Himmler's final hours Drawing on newly accessed archives eyewitness statements and correspondence Drozdowski explores whether Himmler was really the man who died in Lüneburg or if he was silenced to prevent the spread of dangerous secrets Why was the autopsy report sealed until 2045 Why were the Soviets and Americans denied access to the body What role did British intelligence and military authorities play Could Himmler have escaped or was his death the result of a well planned cover up This compelling book offers not only a thorough re-examination of Himmler's demise but also a chilling glimpse into the murky world of post-war intelligence and political intrigue **Top Nazi** Jochen von Lang,2013-05-14 The only biography of General Karl Wolff Heinrich Himmler's assistant in the notorious SS **Heinrich Himmler** Richard Worth,2005 In the horrible story of the Holocaust Heinrich Himmler is recognized as its head architect Ordered by Adolf Hitler to devise a plan a Final Solution to rid Europe of its Jewish population Himmler dictated the means and methods by which 11 million people were killed In the final days of the Third Reich his power was second only to Hitler's Richard Worth details the life of Heinrich Himmler from his youth and his rise through the ranks of the SS to his ultimate betrayal of the Führer and his fruitless efforts to escape justice Book jacket **Heinrich Himmler** Peter Fraenkel,Roger Manvell,2017-11-30 There are no better biographies of Goering Goebbels and Himmler in existence New York Review of Books Heinrich Himmler was the commander of the SS and as founder and officer in charge of the Nazi concentration camps and the Einsatzgruppen death squads he was responsible for implementing the extermination of millions of people By the time he died he was the second most powerful man in Germany and regarded himself as Hitler's natural successor going so far as to attempt to negotiate independent peace with the Allies Based on US documents handed over to the German Federal Archives and the testimonies of Himmler's family and staff this book examines how a seemingly ordinary boy grew into an obsessive and superstitious man who ventured into herbalism and astrology before finally turning to the science of racial purity and the belief in the superiority of the Aryan race Filled with insights into Himmler's private life activities and beliefs this is an important study of one of the most sinister figures of World War II **Himmler: Hitler's Henchman** BAXTER IAN,2022-06-30 Heinrich Himmler has a strong claim to be Adolf Hitler's most powerful subordinate He was certainly the main architect of the Holocaust Appointed Reichsführer SS in 1929 he built the SS into a million strong paramilitary force and took control of the Nazi concentration camps system From 1943 he became Chief of German Police and Minister of the Interior with command of the Gestapo as well as the Einsatzgruppen who committed appalling atrocities and murder in occupied Eastern Europe and Russia Despite

his lack of military experience in the closing stages of the War he was appointed by Hitler as Commander of Army Group Vistula Realizing the war was lost Himmler attempted to open peace talks with the Allies Learning of this Hitler dismissed him of all his posts in April 1945 Detained and arrested by British forces he committed suicide on 22 May 1945 The wartime career of this cruel and capable man is captured brilliantly with contemporary fully captioned images in this Images of War series work
