

A blue-tinted photograph of an industrial robotic arm in a factory setting. The robot is positioned on the left, with its arm extended towards the center. It is actively welding a metal component, which is held in place by another robotic arm on the right. A bright, glowing orange and yellow flame is visible at the point of contact between the robot's tool and the metal. The background shows a complex industrial structure with various pipes, beams, and lights, all rendered in shades of blue.
