Main Ge'ez Fidel (Alphabet) Coloring

The Main Ge'ez Fidel (Alphabet) Coloring exercise book is prepared for my two daughters Leya and Ruta. At the age of seven and five both can speak, read and write both Tigrinya and English. They are bi-lingual. I hope this book will help you and inspire you to start the journey to success.

This Main Ge'ez Fidel Coloring exercise book is for students who are learning the Ge'ez alphabet and for parents or educator who are teaching to read and write Ge'ez, Tigrinya, Tigre, Bilen or Amharic language. While students are learning to recognize the shapes of each letters parents or educators should teach the sound of each letter. I highly encourage and recommend parents to participate with kids during the lesson, coloring and writing the letters. Kids love the participation of their parents and help them to motive to learn. Ge'ez alphabet is used to write Ge'ez, Tigrinya, Amharic, Tigre, and Bilen languages. Each of those languages uses the same Ge'ez alphabet however few Ge'ez letters have different sound in each of those languages.

This text book focuses in Tigrinya language and Tigrinya letters. There are forty main (consonant) Ge'ez letters. Three of the forty letters (ሰ/ሠ, ሰ/ሪ and ዐ/ገ) have the same sound in Tigrinya language. Five letters (ሎ, ገ, ሳ, ስ and ረ) are not commonly used and they are not part of this book. So, there are 32 main Tigrinya letters. There are no vowel and capital letters in Ge'ez alphabet. Ten letters (ዐ, ሰ, ሠ, ረ, ገ, ሳ, ስ, ሎ, ሠ, ሡ) do not have sound and equivalent letters in English language.

Please note the orders of the letters are different than the original Ge'ez alphabet order. I have reordered the letters based on the shape and sound pattern. Throughout my books and tutorials I follow this order. This helps
