Development Through the Lifespan Laura E. Berk, 2022-08-29 With its seamless integration of up-to-date research, strong multicultural and cross-cultural focus, and clear, engaging narrative, *Development Through the Lifespan* has established itself as the market's leading text. The dramatically revised Seventh Edition presents the newest, most relevant research and applications in the field of human development today. Featuring compelling topics, rich examples, and author Laura Berk's signature storytelling style, this new edition is the most current and engaging text available. All print formats are available for pre-order now, with publication set for late July. E-book formats will be available for purchase in mid-July, with prices starting at \$72.00 for a 180-day rental.

The Life Span Patricia C. Broderick, Pamela Blewitt, 2019-01-04 *The Life Span Human Development for Helping Professionals*, 5th Edition, provides an in-depth look at the science of human development, highlighting theories and research that have useful applications for individuals working in fields such as education, counseling, and social work. The main purpose of this book is to provide the reader with information that can be translated into professional best-practice applications. Throughout the text, the contemporary view that life span development is a process deeply embedded within and inseparable from the context of family, social network, and culture is emphasized. Because the book is designed for graduate students, most topics, especially those that have special relevance to helping professionals, are covered in greater depth than in a typical life span text. The expanded coverage of research in these areas will enhance readers' understanding of the scientific basis for application to practice. Also available with MyLab Education. By combining trusted author content with digital tools and a flexible platform, MyLab personalizes the learning experience and improves results for each student. MyLab Education gives helping professionals opportunities to apply theory to practice, better preparing them for success in their future classrooms. Note: You are purchasing a standalone product; MyLab does not come packaged with this content. Students interested in purchasing this title with MyLab should ask their instructor to confirm the correct package.
