Trusts

1. Compare and contrast the trust with the following
 - a) Agency
 - b) Debt
 - c) Power of appointment
 - d) Bailment
 - e) Contracts

Trusteeship involves *onerous obligations*, where a donor retains no responsibility for the property once the gift has been made. Difficulty has been found in providing a comprehensive definition of a trust but various authors have made attempts to define the term trust.

A trust is a relationship which subsists when a person called the trustee is compelled by a court of Equity to hold property, whether real or personal, and whether by legal or equitable title for the benefit of some persons, of whom the trustee himself may be one and who are called *cestui que trust* or beneficiaries, or for some object permitted by law; in such a way that the real benefit of the property accrues not to the trustee, as such, but to the beneficiaries or other objects of the trust.

Definition in Hague Convention on Law of Trusts:

This has been incorporated into English Law by the UK **Recognition of Trusts Act 1987** and under Article 2 of that convention, a trust is defined as follows:-

For the purpose of this convention, the word 'trust' refers to the **legal relationships created – inter vivos or on death – by a person, the settlor, when assets have been placed under the control of a trustee for the benefit of a beneficiary or for a specified purpose.**

A trust has the following characteristics—

- (a) **the assets constitute a separate fund** and are not part of the trustee's own estate;
- (b) **title to the trust assets stands in the name of the trustee** or in the name of another person on behalf of the trustee;
- (c) **The trustee has the power and duty**, in respect of which he is accountable, to manage, employ or dispose of the assets in accordance with the terms of the trust and the special duties imposed upon him by law.

A trust can be distinguished from other legal concepts such as bailment, agency, contract, debts, conditions and charges, powers.

Trust & Agency

Agency is a contractual arrangement express or implied, written or verbal whereby one person may act on behalf of another and bind that other as if he or she acted personally. An agency arises where a person called the agent has expressed or implied authority to act on behalf of another called the principal and he consents to do so. The agent is normally treated as an

Equity And Trusts Practice Questions Introduction

In the digital age, access to information has become easier than ever before. The ability to download Equity And Trusts Practice Questions has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Equity And Trusts Practice Questions has opened up a world of possibilities. Downloading Equity And Trusts Practice Questions provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Equity And Trusts Practice Questions has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Equity And Trusts Practice Questions. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Equity And Trusts Practice Questions. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Equity And Trusts Practice Questions, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Equity And Trusts Practice Questions has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of

free PDF resources available and embark on a journey of continuous learning and intellectual growth.
