Essentials of Economics Stanley Brue, Campbell McConnell, Sean Flynn, 2009-01-05 Building on the tremendous success of their best selling Principles of Economics text Brue McConnell and Flynn have revised their one semester text to provide a fresh alternative This 18 chapter textbook utilizes clear and careful language along with pedagogy

and topic discussion suited to the needs of one semester course Brue McConnell Flynn is a patient substantive treatment of micro and macro economics for the one semester course with many up to date motivating examples *Essentials of Economics* Stanley L. Brue,2017-11 Resource added for the Economics 10 809 195 courses **Theory of Shocks, COVID-19, and Normative Fundamentals for Policy Responses** Pilipenko, Olga Ivanovna,Pilipenko, Zoya Andreevna,Pilipenko, Andrey Igorevich,2021-03-18 The phenomenon of shocks is often mentioned in relation to economic crises but rarely studied This gap in research has resulted in shocks being poorly understood with no fundamental explanation of their inciting conditions It is a system forming problem that cannot be investigated without dynamic ideas about the economy but an incomplete understanding of this event leaves economic systems vulnerable to collapse Theory of Shocks COVID 19 and Normative Fundamentals for Policy Responses is an essential publication that explores the factors that cause economic shocks and the mechanisms of their implementation The book serves as a resource for the development of policy oriented frameworks for achieving and maintaining national and international strategies to properly manage future global shocks Featuring coverage of a wide range of topics including dialectics self evolvment and structural relationships this book is ideally designed for economists executives managers entrepreneurs academicians students and researchers in the areas of finance macroeconomics economic theory and risk assessment Fundamentals of Economics William J. Boyes,Michael Melvin,2009-07-09 Based on the comprehensive two semester text by the same authors this version of Economics boils down the formal economic theories and concepts into their essential parts emphasizing domestic and international applications and policy issues FUNDAMENTALS OF ECONOMICS 4e International Edition is a concise but thorough survey of economics for instructors desiring a brief practical text Each chapter focuses on core economic concepts and provides a link between theory and real world relevance making the content more meaningful for students The Fourth Edition provides a convenient integrated learning experience by including a Study Guide after each chapter which allows students to review key concepts and practice new skills before they go on to read the next chapter Fundamental Questions at the beginning of each chapter preview key points reappear next to the relevant in text discussion and form the basis of chapter ending Summary sections The design highlights these Fundamental Questions making them easier to find within a chapter Economic Insight and Global Business Insight boxes focus on the policies of today s leaders and the business decisions of real companies and governments around the world adding real world relevance to the material Study Guide N. Gregory Mankiw,David R. Hakes,2004 **Event-Driven Mobile Financial Information Services** Jan Muntermann,2007-12-20 Jan Muntermann presents an intraday event study that is conducted within the German capital market and provides evidence that investors could exploit intraday stock price effects following critical market events He then develops the concept for a corresponding mobile decision support system that assists investors in identifying those events Based on the design science research paradigm he uses this concept in the design of a novel mobile decision support
