Falling Into Grace Adyashanti:

Falling into Grace Adyashanti,2011-04-01 Adyashanti asks us to let go of our struggles with life and open to the full promise of spiritual awakening the end of delusion and the discovery of our essential being In his 15 years as a spiritual teacher Adyashanti has found that the simpler the teaching the greater its power to change our lives In *Falling into Grace* he shares what he considers fundamental insights that will spark a revolution in the way we perceive life Available in CD or book format here is a progressive inquiry exploring The human dilemma the concept of a separate self and the choice to stop believing the thoughts that perpetuate suffering Taking the backward step into the pure potential of the present moment Why spiritual awakening can be a disturbing process Intimacy and availability feeling absolute union with every part of our experience True autonomy the unique expression of our own sense of freedom In the same way that we fall into the arms of a loved one or drop our heads on the pillow at night we can surrender into the beauty and truth of who and what we really are *Falling into Grace* is an investigation into the core of why we suffer It s also Adyashanti s invitation to be taken by a moment of grace and fall into a sense of life when it is not separate from you when life is actually an expression of something indefinable mysterious and immense

What would happen if you were to allow everything to be exactly as it is If you gave up the need for control and instead embraced the whole of your experience in each moment that arose In the 14 years that he studied Zen Adyashanti found that most seasoned meditators had used the practice as an end instead of a means to an end What he ultimately realized was that only when you let go of all techniques even the concept of yourself as a meditator will you open to the art of True Meditation dwelling in the natural state True Meditation invites you to join the growing number of seekers who have been touched by the wisdom of Adyashanti to learn How to make the effortless effort that will vivify the present moment Meditative self inquiry and The Way of Subtraction how to ask a spiritually powerful question and determine the real answer Two guided meditations on CD intended to reveal what Adyashanti calls your home as awareness itself We ve been taught that awakening is difficult explains Adyashanti that to wake up from the illusion of separation takes years But all it really takes is a willingness to look into the depths of your experience here and now True Meditation gives you the opportunity to reclaim the original purpose of meditation as a gateway to the objectless freedom of being *Resurrecting Jesus* Adyashanti,2014-04-01 For almost two millennia the story of Jesus has shaped the lives of countless people Yet today even though the majority of us grew up in a
