Winer, 2014-08-20 Praise for Healing The Path to Freedom What Michael has apparently discovered and teaches is that how we interact with life moment by moment particularly our feeling experience is visibly at the core of everything From the broken things to the extraordinary things it is nowhere else but the place that no one thinks to look literally in ourselves The remarkable almost unique aspect of Michaels work is that everything he does and teaches points you back to the truth of your own tangible experience If you want to entertain the possibility of real change this can be an excellent place to do it If you seek to preserve your status quo well this may not be the place The work is not easy though it is simple and clear Its also not necessarily a quick fix though some experience rapid results Expect change and be prepared to see that life is not only what you thought it was In todays increasingly small world sticking ones head in the sand is becoming a less and less viable option as hiding places become hard to find Michaels work is all about strongly engaging life and finding the only reliable refuge your true self Marc Glassgold **Star Magic: Heal the You-Niverse** Jerry Sargeant, 2016-10-11 Are you ready to love Are you ready to heal Are you ready to remember Star Magic contains Codes of Consciousness that were present on earth in ancient Egyptian times Jerry Sargeant has through a series of major life events reawakened this transformational ancient energy to unleash the full human potential of every living being Learn how to harness extra terrestrial light frequencies and bring them in safely and effectively to energize uplift and empower your own life and the lives of others The codes contained within the light will elevate consciousness in a phenomenal way and create freedom for human kind by connecting every man woman and child through their heart to unconditional love Star Magic as well as being the most powerful healing modality on the planet is a lifestyle It s an opportunity to be free mentally physically emotionally and spiritually Star Magic is a way of life that you will live with passion once you learn how to harness and know the power that lies within you Star Magic is the key to unlock the door to a free loving and compassionate world A space nurtured and cradled in love You must go deep way down into the labyrinth of your infinite mind and the depths of your fearless heart to remember the power of alchemy where magic and miracles will be your everyday experience Are you ready and willing to saddle up and take a journey through space and
