Two great writers and their books that have had an influenced on me in the writing of this book are Jonathan Swifts 1667 1745 and John Bunyan 1628 1688 Jonathan Swift masterpiece titled Gulliver s Travels was an allegorical attack on the hypocrisy of the human behavior that he witnessed in almost every level of life in England especially on the political stage John Bunyan was the author of another famous allegorical book about a soul in search of salvation Pilgrim s Progress I do not believe this book will in any way approach the level of these two great masterpieces but like Swift and Bunyan I too have some comments about the behavior of my fellow Spacelanders as I like to refer to them What do they really believe in What have they committed and dedicated their lives to Because I believe the answers to these questions are the determining factors of their behavior Like all allegorical books you will need a great imagination But as Oscar Wilde said Imagination is a quality given man to compensate him for what he is not and a sense of humor was provided to console him for what he is Edwin Willwerth has been married
