Love Opened Heaven'S Door Bill Hoffman,2012-12-13 There is a relatively safe and sane spiritual walk for the Christian and Gods love is the source This book brings good teaching from a variety of teachers writers and an outpouring of love sense and sensitivity forgiveness and acceptance in the Christian walk God the Father in methods past has revealed His personality in all its fullness in His Son The life of Christ is the source for a spiritual walk in the open air without surrender to mystery Our Christian philosophy should be consistent with reality make sense and be practical Dr Alva J McClain has written this clearly and his statements are a part of this book Disillusionment feeds on the word allow because it implies that God is the cause or authority behind all events Pastor author Rick Warren makes a powerful statement quoted in this book about evil and its real cause What are some of the causes of good and bad things Does God allow accidents sickness and evil Christianity does not begin with walking it begins with sitting wrote Watchman Nee This book starts with the sitting place in the Christians permanent home with Christ

All Things In Christ Theodore Austin-Sparks,2011-09-13 ALL THINGS IN CHRIST God s answer to everything God s explanation of everything God s means of realizing everything is a Man the man Christ Jesus When this world has run its evil course this inhabited earth will be judged in a Man Men will be judged by what their inward relationship is to that Man The question at the judgment will never be of how much good or bad right or wrong more or less is in a man it will turn upon this one point Are you in Christ If not more or less makes no difference God s intention God s proclamation is that all things are in His Son Are you in Him Why not The basis of judgment is very simple It is all gathered up in a Man and what is in that Man of God for us That is the basis of judgment It all comes back to the very simple and yet comprehensive and blessed truth that it is what Christ is that satisfies God reaches God s end and meets all our need It is all summed up in a Man the man Christ Jesus T A S Christian Hymns for Church, School, and Home ,1898

complex intersections of mission Christianity with indigenous religions are less well known Large scale flows of people across increasingly fluid borders mean that not only does immigration sometimes significantly boost Christian numbers in a given country but that different forms of Christianity shift traditional religious landscapes How will emerging trends such as reverse mission from the Global South affect Christianities in areas more used to sending rather than receiving missions As the majority of believers shifts from the West to the Global South how will issues such as homosexuality be played out theologically politically and individually Will new virtual churches manage to create viable long term communities How does new festival Christianity function in the religious life of an individual The divergent and oftentimes contradictory state of Christianity in the modern world fuels questions about its place and future in the world in politics education and healthcare This book brings together cutting edge research on the most recent changes and trends in Christianity worldwide Contributors drawn from the USA UK and Europe Africa and East Asia offer an invaluable breadth of coverage expertise and disciplinary perspective at the intersections between sociology of religion theology politics education and human geography
