General Training test Source ieltsessentials.com If you're here reading this book it means you're taking your first step in your immigration plan to prove your language ability. You should be proud of yourself. When IELTS test takers have been asked which is the most difficult skill out of the four skills in an IELTS General Training test, most of them answered Writing. You see, writing is hard. Even native speakers make mistakes in punctuation, spelling, and grammar. They do it all the time. Next time pay attention when you read emails, Facebook posts, Instagram posts, or even magazines; you will realize that not any native speakers are able to write correctly. It happens because not all of them reach the same level of literacy. Many professionals rarely write in their day-to-day life. Remember, native speakers have to take IELTS for immigration purposes too. Keep that thought in mind: you have an equal opportunity to get a band 7 or above in an IELTS test. With a strong desire to succeed, a detailed learning strategy, and a well-prepared course from our books, you will get the score you deserve. This book focuses on the language you need for success in IELTS Writing Task 2. It covers five sections: 1. Improving your range Grammar and Vocabulary; 2. Improving your accuracy Grammar and Vocabulary; 3. Using an academic style; 4. Writing cohesively and coherently; 5. Expressing your ideas effectively.
