# Witness Whittaker Chambers

**George H. Nash**

## **Witness Whittaker Chambers:**

*Witness Whittaker Chambers*, 1952 Whittaker Chambers has written one of the really significant American autobiographies penetrating and terrible insights into America in the early twentieth century Arthur Schlesinger Jr

**Witness Whittaker Chambers** Whittaker Chambers, 1952 *Witness Whittaker Chamber*, 1952 **Whittaker Chambers** Sam Tanenhaus, 1998-04-28 Whittaker Chambers is the first biography of this complex and enigmatic figure Drawing on dozens of interviews and on materials from forty archives in the United States and abroad including still classified KGB dossiers Tanenhaus traces the remarkable journey that led Chambers from a sleepy Long Island village to center stage in America's greatest political trial and then in his last years to a unique role as the godfather of post war conservatism This biography is rich in startling new information about Chambers's days as New York's hottest literary Bolshevik his years as a Communist agent and then defector hunted by the KGB his conversion to Quakerism his secret sexual turmoil his turbulent decade at Time magazine where he rose from the obscurity of the book review page to transform the magazine into an oracle of apocalyptic anti Communism But all this was a prelude to the memorable events that began in August 1948 when Chambers testified against Alger Hiss in the spy case that changed America Whittaker Chambers goes far beyond all previous accounts of the Hiss case re creating its improbably twists and turns and disentangling the motives that propelled a vivid cast of characters in unpredictable directions A rare conjunction of exacting scholarship and narrative art Whittaker Chambers is a vivid tapestry of 20th century history **Political Conversion** Don Waisanen, 2018-04-20 Stories of religious conversion have been told for millennia Yet many prominent figures such as Ronald Reagan Hillary Clinton and Rick Perry have also used stories of their change from one political worldview to another as a communication strategy aimed at winning the hearts and minds of the public This book is about political conversion stories in public discourse in their evolution from and interactions with religion From a historical perspective it charts the development of conversion narratives from religious contexts to their contemporary applications as specifically political messages Since these narratives continue to be used in the culture wars this book examines several related autobiographies that contributed to the use of this strategy in contemporary U S politics Each case shows how shifts during the postwar period called for conversion texts under varying guises and illustrates how and why the majority of these stories have been of conversions from the ideological left to the right Examining political conversion as a form of public persuasion Political Conversion ultimately provides insight into what these types of civic religious stories mean for democratic communication and communities **Ghosts on the Roof** Whittaker Chambers, Terry Teachout, Milton Hindus, 2017-07-05 Whittaker Chambers is one of the most controversial figures in modern American history a former Communist spy who left the party testified against Alger Hiss before the House Un American Activities Committee and wrote a classic autobiography *Witness* Dismissed by some as a crank reviled by others as a traitor Chambers still looms as a Dostoevskian figure over three decades after his death in 1961 A man of profound pessimism rare

vision and remarkable literary talents his continuing importance was attested to when Ronald Reagan posthumously awarded him the Medal of Freedom in 1984 *Ghosts on the Roof* originally published in 1989 brings together more than fifty short stories essays articles and reviews that originally appeared in *Time* *Life* *National Review* *Commonweal* *The American Mercury* and *the New Masses* Included are essays on Karl Marx Reinhold Niebuhr James Joyce Franz Kafka George Santayana Dame Rebecca West Ayn Rand and Greta Garbo These show Chambers at his best as a peerless historian of ideas

**Notes from the Underground** Whittaker Chambers, 1997-09 Ralph de Toledano the Newsweek reporter covering the Hiss trial technically for perjury quickly became close friends with Chambers The two men began exchanging letters in 1949 and continued for the rest of Chambers's life

**Witness, by Whittaker Chambers** John Phillips Marquand, 1952 **Alger Hiss** Christina Shelton, 2012 Documents the lesser known story of a high level State Department official who in the late 1940s was charged with spying for the Soviet Union arguing that the case was shaped by missed opportunities and poor judgments that also reflected period Soviet infiltration and American counter intelligence analytic failures *The Witness and the President* K. Alan Snyder, 2017-05-30 Whittaker Chambers and Ronald Reagan two conservative icons Both hold a special place in the minds and hearts of political and cultural conservatives and their names are linked in the history of American conservatism Reagan owes a huge debt to Chambers's reflections on communism and freedom with his autobiography *Witness* serving almost as the midwife for Reagan's political rebirth He partially repaid that debt when he awarded Chambers with the Presidential Medal of Freedom in 1984 The two men though were opposites in their temperaments and predictions about the future of freedom Chambers was so gloomy about the prospects for the free world that when he deserted communism he stated to his wife You know we are leaving the winning world for the losing world Reagan however never lost his faith that America's future was bright and that the Western world could help promote liberty in nations that were trapped by tyranny and spiritual darkness Which of these two icons was closer to the truth This book examines and contrasts the Chambers pessimism with the Reagan optimism and seeks to answer that question

**Secret City** James Kirchick, 2022-05-31 The New York Times Bestseller A New York Times Notable Book of 2022 Named one of Vanity Fair's Best Books of 2022 Not since Robert Caro's *Years of Lyndon Johnson* have I been so riveted by a work of history *Secret City* is not gay history It is American history George Stephanopoulos Washington D C has always been a city of secrets Few have been more dramatic than the ones revealed in James Kirchick's *Secret City* For decades the specter of homosexuality haunted Washington The mere suggestion that a person might be gay destroyed reputations ended careers and ruined lives At the height of the Cold War fear of homosexuality became intertwined with the growing threat of international communism leading to a purge of gay men and lesbians from the federal government In the fevered atmosphere of political Washington the secret too loathsome to mention held enormous terrifying power Utilizing thousands of pages of declassified documents interviews with over one hundred people and material unearthed from presidential libraries and

archives around the country Secret City is a chronicle of American politics like no other Beginning with the tragic story of Sumner Welles Franklin Delano Roosevelt s brilliant diplomatic advisor and the man at the center of the greatest national scandal since the existence of the United States James Kirchick illuminates how homosexuality shaped each successive presidential administration through the end of the twentieth century Cultural and political anxiety over gay people sparked a decades long witch hunt impacting everything from the rivalry between the CIA and the FBI to the ascent of Joseph McCarthy the struggle for Black civil rights and the rise of the conservative movement Among other revelations Kirchick tells of the World War II era gay spymaster who pioneered seduction as a tool of American espionage the devoted aide whom Lyndon Johnson treated as a son yet abandoned once his homosexuality was discovered and how allegations of a homosexual ring controlling Ronald Reagan nearly derailed his 1980 election victory Magisterial in scope and intimate in detail Secret City will forever transform our understanding of American history **An Un-American Life** Sam Tanenhaus,2007-01 The author charts the story of Whittaker Chambers whose transformation from Communist agent to anti Communist witness climaxed in 1948 when he testified against Alger Hiss a senior U S State Department official in the controversial trial that shook and changed America The Conservative Intellectual Movement in America Since 1945 George H. Nash,1996 First published in 1976 George H Nash s celebrated history of the postwar conservative intellectual movement has become the unquestioned standard in the field This edition published in commemoration of the book s thirtieth anniversary includes a new preface and conclusion by the author and will continue to instruct anyone interested in how today s conservative movement was born *Catalogue of Paintings* York City Art Gallery,1961 **Whittaker Chambers** Richard M. Reinsch,2023-08-22 What Chambers Can Teach Us Whittaker Chambers is rightly remembered for his pivotal role in the electrifying Alger Hiss spy case But as Richard Reinsch reminds us in this volume of the acclaimed Library of Modern Thinkers series Chambers was more than just a government informant he was a profoundly important thinker who grappled with the nature of modern man s predicaments Whittaker Chambers The Spirit of a Counterrevolutionary shows that Chambers s thought posed and still poses a challenge to American conservatism and its typical focus on markets and small government In his journalism essays personal correspondence with the likes of William F Buckley Jr and landmark autobiographical tome Witness Chambers engaged more broadly analyzing the fundamental question of who man is and the classical and spiritual foundations of civilization Defying conventional thinking Reinsch argues that the former Communist spy may have been more right than wrong when he predicted that the West would lose the Cold War While the Soviets Communist system did of course collapse the spiritual and philosophical sickness that Chambers identified Reinsch suggests has not been cured *Records and Briefs New York State Appellate Division* , **Commonweal** ,1929 **The American Mercury** ,1952 Essays Milton Hindus,1988 The essay Celine Once More pp 149 161 originally published in Brandeis Essays Waltham MA Brandeis University 1983 deals with the author s visit to the antisemitic French writer in Denmark

which resulted in his book *The Crippled Giant* 1950 Expresses similar views to those found in the revised edition see the preceding entry *The Hastings Law Journal* ,2000

## Whispering the Strategies of Language: An Mental Journey through **Witness Whittaker Chambers**

In a digitally-driven world wherever displays reign great and quick interaction drowns out the subtleties of language, the profound strategies and mental nuances concealed within words often get unheard. However, located within the pages of **Witness Whittaker Chambers** a captivating literary value pulsating with natural emotions, lies an extraordinary quest waiting to be undertaken.
