Writers Field Guide to the Craft of Fiction offers a refreshing approach to the craft of fiction writing. It takes a single page from forty contemporary novels and short stories, identifies techniques used by the writers, and presents approachable exercises and prompts that allow anyone to put those techniques to immediate use in their own work. Encompassing everything from micro (how to write pretty) to macro (how to move through time space and even how to put all together) on page one, this is a field guide for anyone who wants to start writing now or get some shiny new gear for their fiction toolbox.

The Longman Guide to Writing Beginning Fiction by Sibyl Johnston, 2007. Writing is an intimate act. Creativity is as personal and individual as dreams or fingerprints. Though writers can and should practice skills and techniques at heart, learning to write is about understanding your own nature, skills, and intuitions. *The Longman Guide to Fiction Writing for Beginners* takes you through the writing process while empowering you along the way. Strongly emphasizing revision, it encourages you to participate actively in discussion of your own fiction while explaining what a good story is and where it comes from. Guiding you through the process of growing the story using the elements of fiction and ultimately shaping the story, this book explores the fundamentals of character, plot, point of view, verb tense, narrative structure, setting, dialogue, subtext, and theme. *The Longman Guide to Fiction Writing for Beginners* leads you through the entire process of writing, including prewriting, drafting, revising, and working with readers. Writing Fiction For Dummies by Randy Ingermanson, Peter Economy, 2009-11-05. A complete guide to writing and selling your novel. So you want to write a novel. Great! That's a worthy goal, no matter what your reason. But don't settle for just writing a novel. Aim high. Write a novel that you intend to sell to a publisher. *Writing Fiction for Dummies* is a complete guide designed to coach you every step along the path from beginning writer to royalty-earning author. Here are some things you'll learn in *Writing Fiction for Dummies*: Strategic Planning: Pinpoint where you are on the roadmap to publication; discover what every reader desperately wants from a story; home in on a marketable category; choose from among the four most common creative styles and learn the self-management methods of professional writers. Writing Powerful Fiction: Construct a story world that rings true; create believable, unpredictable characters; build a strong plot with all six layers of complexity of a modern novel and infuse it all with a strong theme. Self-Editing Your Novel: Psychoanalyze your characters to bring them fully to life; edit your story structure from the top down; fix broken scenes and polish your action and dialogue. Finding An Agent and Getting Published: Write a query letter, a synopsis, and a proposal; pitch your work to agents and editors without fear. *Writing Fiction For Dummies* takes you from being a writer to being an author. It can happen if you have the talent and persistence to do what you need to do. **Writing Fiction and**
