Offbeat Marijuana Saul Rubin, 1999 This decidedly lowbrow contribution to the literature on the marijuana debate is unimpressive in both textual and visual content many photographs are printed in too dark low contrast b w and surprise green and many of their captions consist of such lame attempts at humor it s doubtful that they would be funny even under the influence The body of the text itself also adopts this self consciously freewheeling tone as it meanders through discussions of pot prohibition medicinal use and other uses of hemp Annotation copyrighted by Book News Inc Portland OR

Urban Ghana and Privacy in the Digital Age Elad Ben Elul, 2022-04-20
This book explores privacy practices and the role of digital technologies in the lives of urban Ghanaians, considering how they use language, materiality, and culture to maintain sharp boundaries between the private and public. Focusing on the harbour town of Tema, it offers rich ethnographic portraits that cover topics such as nightlife, domestic architecture, religion, and social media. The volume demonstrates how transformations across Africa, such as Pentecostal reformation, neoliberal reforms, and rapid digitisation, all raise the need for privacy among middle-class urbanites who use brand-new and very traditional strategies to uphold an image of their economic or religious state. Overall, the book highlights how digital technologies intertwine with local cultures and histories and how digital anthropology enhances our understanding of the offline as much as the online. It makes a valuable contribution to discourse about the right for privacy and surveillance in the digital age and will be of interest to scholars from anthropology and African studies.
