The Answer Is in the Room Alan M. Blankstein, 2011-06-02 The answer is not always in the room Sometimes it is in the room next door But help is often much closer than you think Drawing on inspirational yet practical examples of health reform in Vietnam courageous change in South Africa and authentic improvements that get results in a range of American schools Alan Blankstein demonstrates that throwing random reforms into the room through the door or shouting at people in the room from up on the roof are not ways that make positive change happen Blankstein knows his people knows his schools and knows what brings about positive professionally driven change This brilliant little book not only shows what works it dignifies the overly criticized professionals who make it all happen Andy Hargreaves Author and Thomas More Brennan Chair in Education Boston College MA When the well being of children is at stake people of all stripes are called upon to put aside personal agendas find the humility and courage to do what is right and let go of what has not worked This book provides compelling reasons for doing this in education as well as a powerful new methodology for success and a pathway to a brighter future Archbishop Emeritus Desmond Tutu 1GOAL Education for All
