Carmen Music Opera:

Carmen Georges Bizet, Ludovic Halévy, 2001 Georges Bizet's final opera *Carmen* has become one of the best known plots with the most memorable of music despite its initial rejection by Paris critics following its scandalous 1875 premiere at the Opera Comique a theatre known for works of a lighter flavour Basing their work on Prosper Merimee's novella librettists Henri Meilhac and Ludovic Halevy have fashioned a timeless story of love jealousy and violence in the Spanish city of Seville all set into motion by *Carmen* a seductive free spirited femme fatale

Carmen Abroad Richard Langham Smith, Clair Rowden, 2020-07-30 From the old world to the new and back again this transnational history of the performance and reception of Bizet's *Carmen* whose subject has become a modern myth and its heroine a symbol provides new understanding of the opera's enduring yet ever evolving and resituated presence and popularity This book examines three stages of cultural transfer the opera's establishment in the repertoire its performance translation adaptation and appropriation in Europe the Americas and Australia its cultural work in Soviet Russia in Japan in the era of Westernisation in southern regionalist France and in *Carmen*'s homeland Spain As the volume reveals the ways in which Bizet's opera swiftly travelled the globe from its Parisian premiere readers will understand how the story the music the staging and the singers appealed to audiences in diverse geographical artistic and political contexts

The American History and Encyclopedia of Music: Operas, with introduction by H. E. Krehbiel. W. L. Hubbard, editor, 1910

Carmen Georges Bizet, 2011-02 English National Opera Guides are ideal companions to the opera They provide stimulating introductory articles together with the complete text of each opera in English and the original Bizet describes himself as pagan and *Carmen* has a savage Mediterranean beauty quite unique in music The essays included in this Guide suggest some reasons for its legendary theatrical appeal Martin Cooper describes the traditional mixture of spoken words and song that stimulated Bizet to exclaim I want to revolutionize opera comique the translators show the ingenious and inspired ways in which he set about it Lesley Wright analyzes the score and Michael Rabaud shows the uncanny appropriateness of Nietzsche's support for Bizet in his famous attacks on the decadence of Wagner This is the first time that the complete text of the verses that Bizet set to music and the full dialogue much of it especially translated for this Opera Guide have ever been published

Carmen and the Staging of Spain Michael Christoforidis, Elizabeth Kertesz, 2019 Georges Bizet's *Carmen* and its staging of an exoticized Spain was progressively reimagined between its 1875 Paris premiere and 1915 This book explores *Carmen*'s dynamic interaction with Spanishness in this cosmopolitan age of spectacle across operatic productions parodies and theatrical adaptations from Spain to Paris London and New York
