The background is a vibrant, abstract composition. It features a central, glowing green sphere with a complex, crystalline internal structure. This sphere is surrounded by a network of thin, white lines that connect various points, creating a sense of a digital or neural network. The overall color palette is dominated by deep blues and purples, with bright green highlights emanating from the central sphere and scattered throughout the scene. The lighting is dynamic, with bright spots and soft glows that give the image a futuristic and high-tech feel.

Contemporary Management Principles Tersia Brevis, M. J. Vrba, 2014 *Management Principles* P. J. Smit, 2007 Book CD To improve on an award winning book poses a major challenge to its authors The authors of this book took the challenge head on by conducting a major research study to determine what exactly the outcomes are that managers at different levels must deliver in contemporary organisations in South Africa and the rest of Africa The findings of this study which dealt with current and near future management issues as well as classical and contemporary thinking about management were used as the blueprint for the updating of this book After placing management in context the authors deal with the knowledge skills and dispositions required of managers to perform the management functions of planning organising leading and controlling in a volatile business world Examples of how the functions are applied in practice are cited throughout the book These examples refer mainly to South African organisations and situations that managers in South Africa and Africa have to deal with to create and sustain a competitive advantage for their organisations The book endeavours to break down the silo effect of seeing the management functions as separate activities This is done by continuously placing the management function at hand in a bigger context This enables learners of management to assess the implications of management decisions on different people processes systems and so on that make up the organisation Contemporary Management Principles Vrba M J Brevis Tersia, 2014-05-14 Contemporary Management Bernard A.
