Fairest By Chanda Hahn:

Fairest Chanda Hahn, 2019-01-31 Mirror Mirror on the wall Who is the Fairest of them all In the sequel to UnEnchanted Mina Grime discovers that all is not fair when it comes to the Fae and their tales especially when they don't all play by the rules Barely surviving the Story's first fairy tale quest Mina still has hundreds to go before she can end the curse on her family But a new player arises to challenge Mina while new rules revamp the game she has just barely begun to understand All the while people are mysteriously disappearing including Jared whom Mina must finally determine to be friend or foe And with the loss of her greatest weapon Mina must try to outwit a lethal hunter Can Mina survive the most difficult quest yet while protecting those she loves from falling victim to one of the deadliest tales of all Or will she become a pawn when she strikes a bargain with the Queen of Fae

Fairest of the Fair, 1868 Fairest of Women Dalya Bilu, **My dearest ... my fairest**, **Fairest** Sophia Zaccaria, 2021-07-20 Flirting with evil will be the ruination of her soul Goodness is much easier to corrupt than it is to hold on to And for Natasha a woman reeling from the pain of losing a loved one evil is all the more tempting Luck or misfortune spirits Natasha away to the foreign Court of Velaris in a quest for a suitor but instead secures her a place among Velarian royalty Craving revenge Natasha makes use of this opportunity to enact her plans as she navigates the lush court where aristocracy is a double edged blade But when she befriends her soon to be husband Mikhail the Beloved Prince Natasha makes a deadly mistake She captures the attention of the debonair Darkling Prince a villainous man meant to ascend the Velarian throne Enamored the Darkling Prince charms Natasha and soon the two feel a forbidden emotion captivate their stoic scabrous hearts But with the existence of a violent rebel group capable of cataclysmic damage there is little time for love With war brewing amidst the enigmatic kingdom the royals must become all the more cunning and devious if they wish to triumph over their adversaries What draws the insidious line between right and wrong when it comes to a battle of survival For Natasha nothing is too far too light too bloody too evil Soon the only reflection Natasha sees in her mirror's beveled glass is that of an Evil Queen Often the cost of survival is more frightening than the beasts of death But that's what gives the Queen of Shadow's beauty an edge she wears her darkness adorned about her throat like the grandest of all diamonds ebony and bloodred in shade
