What is Strategy? by Porter: Key Takeaways (week 1/Overview of Strategic Management) - ANSWER A company can outperform rivals only if it can establish a difference that is can preserve. Companies that try to be all things to all customers risk confusion in the trenches as employees attempt to make day to day operating decisions without a clear framework. Positioning trade-offs are pervasive in competition and essential to strategy. They create the need for choice and purposefully limit what a company offers. The essence of strategy is choosing what not to do. Operational excellence is about achieving excellence in individual activities, while strategy is about combining activities. strategy requires constant discipline and clear communication. improving operational effectiveness is pessary part of management, but not its strategy. Strategic agenda is the right place for defining a unique position, making clear trade-offs, and tightening fits.
