

ENGLISH HOME LANGUAGE: PAPER 1

Question 1: Text A (Article)

Types of questions asked:

1. The meaning of words

How to figure out the meaning of difficult words:

- What does it sound like? Does it look/sound like other words you know or other words in the text?
- What part of speech is it? Is it a noun, adjective, verb, adverb?
- Are there prefixes or suffixes? And what is the root then?
- Look at the mood of the paragraph. Is it negative or positive? Does this help you to find a possible meaning?

2. Tone and mood

- **Tone:** the writer's attitude towards the subject. Can be positive or negative.
- **Mood:** the feeling evoked in the reader.

3. Writer's intention and point of view, or the purpose of the text

- Why did the writer include specific details? Does he want to prove a point, draw attention, give his/her opinion, persuade the reader to think in a certain way, tell a story, give information?
- The writer's *intention* is the influence he/she wants on the reader. What should the reader feel/do/believe after reading the text?

4. Themes and message

- **Theme:** the main idea. This is usually a key term (e.g. love) or a contrast (life vs. art)
- **Message:** the 'lesson' that the reader learns from the text (e.g. It's never too late to try something new).

5. Denotation and connotation of words

- This can help you find the meaning of words. It can also help you explain what a writer means by a phrase.
- **Denotation:** literal dictionary meaning (e.g. pig = pink round "oink oink")
- **Connotation:** additional, hidden, often metaphorical meaning (e.g. pig = a rude person, or someone with poor table manners, usually male)

6. Implications and assumptions

- **Implied meaning:** reading between the lines. E.g. if someone says a woman is not exactly beautiful, he implies that she is unattractive.
- **Assumption:** things you accept as true even though you can't see/prove it. E.g. if you say, "Learners don't like homework", the assumption is that these are school children and homework is part of school.
- When answering these questions, look for the *hidden message*.

7. Text structure

- **One-sentence paragraphs** draw attention, focus the topic, prove a point etc.
- The **introduction** is meant to introduce the topic. It usually consists of a "hook" (attention grabber) and a topic statement. Does it do this in your text?
- The **conclusion** usually sums up the whole text. It doesn't contain new information, but may express the writer's view or give final advice.
- Exam questions on structure usually ask if you think the structure is effective. Try to answer BOTH 'yes' and 'no' (mixed answer).

8. Stylistic devices/techniques

- The most common ones:
 - Rhetorical questions
 - Repetition
 - Quotations of famous people's words
 - Giving examples
 - Giving statistics or credible sources
- The writer wants to prove a point, give a balanced account, make the reader think, etc.

SECTION 1:
Comprehension
STUDY NOTES

TIPS:

1. Use your own words!
2. Quote only if asked (with quotation marks and a line reference).
3. NEVER "lift" (copying from the text without using quotation marks or your own words).
4. Base your answer on the text **ONLY**. If a specific paragraph is mentioned, use that paragraph to find the answer.
5. Don't repeat the question in your answer.
6. Write in full sentences unless a short answer is required.
7. Look at the mark allocation.
1 mark = 1 point/fact
8. Find the key concepts in the question and make sure you refer to all of them in your answer.

Dutch B Hl Paper 1

Jan Storm van Leeuwen

Dutch B HI Paper 1:

Whispering the Strategies of Language: An Mental Journey through **Dutch B Hl Paper 1**

In a digitally-driven earth wherever screens reign supreme and immediate connection drowns out the subtleties of language, the profound strategies and mental nuances concealed within words often get unheard. Yet, located within the pages of **Dutch B Hl Paper 1** a captivating literary prize blinking with organic thoughts, lies an extraordinary journey waiting to be undertaken. Composed by an experienced wordsmith, this charming opus encourages readers on an introspective trip, delicately unraveling the veiled truths and profound influence resonating within the very material of each and every word. Within the mental depths with this touching evaluation, we will embark upon a genuine exploration of the book is core styles, dissect their fascinating writing model, and fail to the strong resonance it evokes strong within the recesses of readers hearts.
