Tennie confronted her addictions to unhealthy relationships, food, work, and was finally able to find the one thing we all ultimately crave: serenity. In her work with clients, Tennie helps them uncover why they yo-yo diet, why they compromise their health with a diseased relationship to food, why their uncontrollable need for control has left them feeling broken, and what it is about their past or present that leads them to seek comfort in the oscillating consumption and restriction of food. As Ashley Judd, a former patient, says: "Because if there was hope for Tennie McCarty, there was hope for me."
