Duramazwi :

Duramazwi Desmond Dale,1981 The companion volume to A Basic English Shona Dictionary is now widely available for the first time outside Africa It contains some 6 000 main entries and an additional 700 words derived or borrowed from other languages For each entry definitions in Shona and English translations are given Some introduction on the structure of the Shona language is provided *Duramazwi* D. Dale,2000 *Dictionaries. An International Encyclopedia of Lexicography* Rufus Gouws,Ulrich Heid,Wolfgang Schweickard,Herbert Ernst Wiegand,2013-12-18 The basis for this additional volume are the three volumes of the handbooks *Dictionaries An International Encyclopedia of Lexicography HSK 5 1 5 3* published between 1989 and 1991 An updating has been perceived as an important desideratum for a considerable time In the present Supplementary Volume the premises and subjects of HSK 5 1 5 3 are complemented by new articles that take account of the practice internal and theoretical developments of the last 15 years Special attention has been given to the following topics the status and function of lexicographic reference works the history of lexicography the theory of lexicography lexicographic processes lexicographic training and lexicographic institutions new metalexigraphic methods electronic and especially computer assisted lexicography *Languages and Education in Africa* Birgit Brock-Utne,Ingse Skattum,2009-05-11 The theme of this book cuts across disciplines Contributors to this volume are specialized in education and especially classroom research as well as in linguistics most being transdisciplinary themselves Around 65 sub Saharan languages figure in this volume as research objects as means of instruction in connection with teacher training language policy lexical development harmonization efforts information technology oral literature and deaf communities The co existence of these African languages with English French and Arabic is examined as well This wide range of languages and subjects builds on recent field work giving new empirical evidence from 17 countries Botswana Ethiopia Ghana Kenya Madagascar Malawi Mali Mozambique Niger Nigeria Senegal South Africa Swaziland Tanzania Uganda Zambia and Zimbabwe as well as to transnational matters like the harmonization of African transborder languages As the Editors a Norwegian social scientist and a Norwegian linguist both working in Africa have wanted to give room for African voices the majority of contributions to this volume come from Africa *Duramazwi ReChishona* Herbert Chimhundu,1996 A Shona dictionary *Duramazwi redudziramutauro nouvaranomwe* Herbert Chimhundu,Emmanuel Chabata,2007 Dictionary of terms used in language and literature studies giving phonological and grammatical information as well as definitions variants and synonyms in Shona An English language listing of terms with their Shona equivalents is provided in the second part *Language Matters in Contemporary Zimbabwe* Collen Sabao,Esther Mavengano,2024-06-17 Speaking to a broader global preoccupation with the state of languages and language development this book considers issues surrounding the diverse languages linguistic communities and cultures of Zimbabwe Reflecting on Shona Xitsonga Sotho Xhosa Tjwao Nambya IsiNdebele Nyanja Tshivenda English and Braille the book uncovers both the internal and external factors that impact language structures

language use and language ideologies across the country The book considers how colonial legacies and contemporary language domination and minoritisation have led to language endangerment It considers the fate of communities whose languages are marginalised and in the process poses questions on what can and should be done to preserve Zimbabwean languages The authors offerings range across subjects as diverse as music linguistic innovation education human rights literature language politics and language policy in order to build a rich and nuanced picture of language matters in the country Coming at a critical moment of increasing mobility migration cultural plurality and globalisation this book will be an important resource for researchers across African literature linguistics communication policy and politics **Festschrift**

Education and Development in Zimbabwe Edward Shizha,Michael T. Kariwo,2012-01-01 The book represents a contribution to policy formulation and design in an increasingly knowledge economy in Zimbabwe It challenges scholars to

think about the role of education its funding and the egalitarian approach to widening access to education The nexus between education democracy and policy change is a complex one The book provides an illuminating account of the constantly evolving notions of national identity language and citizenship from the Zimbabwean experience The book discusses educational successes and challenges by examining the ideological effects of social political and economic considerations on Zimbabwe s colonial and postcolonial education Currently literature on current educational challenges in Zimbabwe is lacking and there is very little published material on these ideological effects on educational development in Zimbabwe This book is likely to be one of the first on the impact of social political and economic meltdown on education The book is targeted at local and international academics and scholars of history of education and comparative education scholars of international education and development undergraduate and graduate students and professors who are interested in educational development in Africa particularly Zimbabwe Notwithstanding the book is a valuable resource to policy makers educational administrators and researchers and the wider community Shizha and Kariwo s book is an important and illuminating addition on the effects of social political and economic trajectories on education and development in Zimbabwe It critically analyses the crucial specifics of the Zimbabwean situation by providing an in depth discourse on education at this historical juncture The book offers new insights that may be useful for an understanding of not only the Zimbabwean case but also education in other African countries Rosemary Gordon Senior Lecturer in Educational Foundations University of Zimbabwe Ranging in temporal scope from the colonial era and its elitist legacy through the golden era of populist universal elementary education to the disarray of contemporary socioeconomic crisis covering elementary through higher education and touching thematically on everything from the pernicious effects of social adjustment programmes through the local deprofessionalization of teaching this text provides a comprehensive wide ranging and yet carefully detailed account of education in Zimbabwe This engagingly written portrayal will prove illuminating not only to readers interested in Zimbabwe s education specifically but more widely to all who are interested in how the sociopolitical shapes education how ideology policy international pressures economic factors and shifts in values collectively forge the historical and contemporary character of a country s education Handel Kashope Wright Professor of Education University of British Columbia [Lexikos](#) ,2001 *Zambezia* ,2002 **Teaching and Administering in African Languages** D.
