Encyclopedia of Christian Education George Thomas Kurian, Mark A. Lamport, 2015-05-07 Christianity regards teaching as one of the most foundational and critically sustaining ministries of the Church. As a result, Christian education remains one of the largest and oldest continuously functioning educational systems in the world, comprising both formal day schools and higher education institutions as well as informal church study groups and parachurch ministries in more than 140 countries. In *The Encyclopedia of Christian Education*, contributors explore the many facets of Christian education in terms of its impact on curriculum, literacy, teacher training, outcomes, and professional standards. This encyclopedia is the first reference work devoted exclusively to chronicling the unique history of Christian education across the globe, illustrating how Christian educators pioneered such educational institutions and reforms as universal literacy, home schooling, Sunday schools, women's education, graded schools, compulsory education of the deaf and blind, and kindergarten. With an editorial advisory board of more than 30 distinguished scholars and five consulting editors, *The Encyclopedia of Christian Education* contains more than 1,200 entries by 400 contributors from 75 countries. These volumes cover a vast range of topics from Christian education history spanning from the church's founding through the Middle Ages to the modern day, denominational and institutional profiles, intellectual traditions in Christian education, biblical and theological frameworks, curricula, missions, adolescent and higher education, theological training, and Christian pedagogy. Biographies of distinguished Christian educators. This work is ideal for scholars of both the history of Christianity and education as well as researchers and students of contemporary Christianity and modern religious education.

[The Pastor's Library](#) Robert A. Yost, 2017-09-21 In the spirit of Cyril Barber's classic work from the 1970s *The Minister's Library*, Robert Yost provides students and pastors with expert guidance on building a working ministerial library. From Old and New Testament languages, lexical aids, and grammatical tools to commentaries and theologies as well as pastoral resources, Yost is a trustworthy guide through the multiplicity of books that seem to just keep rolling off the presses. Far more than just a guide to commentaries as are so many works today, this resource is a balanced pastoral tool for pastors and students who are overwhelmed by the proliferation of literature in the fields of biblical and pastoral studies.

The Choice Thomas E. Trask, Wayde I. Goodall, 1999 This stirring book urges believers to realize that everyone is responsible to reach the lost and that everyone can have the power to do all that God has asked them to do.

Led by the Carpenter Dennis James Kennedy, 1999 Instead of just asking "What would Jesus Do" to make immediate decisions, Kennedy offers a practical blueprint for long-term living that takes the walk of faith to the next logical step: setting goals for Christ to be Lord in all areas of one's life.

To Heaven and Back Rita Bennett, 1997 Some say they saw heaven. Others say they saw hell. All have had a near-death experience, and all have a unique story. Of the many best-selling books on near-death experiences, most offer a non-Christian perspective. *To Heaven and Back* tells of Christians whose near-death experiences led them to a deeper commitment to Christ and a greater longing for the life to come. Rita Bennett also probes the biblical record to help both Christians and non-

Christians prepare for eternity Affirming a biblical view of the afterlife To Heaven and Back is challenging inspirational and hope filled *Books That Change Lives* Parable Group, The,2005-07 The ultimate book of recommended reading lists hand picked by book buyers nationwide This Parable exclusive includes recommendations from popular authors and a personal growth library list featuring both classic and contemporary must reads Plus a topical resource list indexes books by subject matter geared for those ministering to others Union Catalog of the Graduate Theological Union Graduate Theological Union.
