Hadewijch The Complete Works:

The Complete Works Hadewijch, 1980 Hadewijch a Flemish Beguine of the 13th century is undoubtedly the most important exponent of love mysticism and one of the loftiest figures in the western mystical tradition **Hadewijch** Beguine Hadewijch, Paul Mommaers, 1980 *Hadewijch, The complete works: the Classics of Western Spirituality*, 1980 Seeking Spiritual Intimacy Glenn E. Myers, 2011-03-28 In Seeking Spiritual Intimacy Glenn Myers introduces us to the Beguines a network of faith communities in Medieval Europe where women organized their world around a simple life with Christ at the center Learn from the insights of wise women of faith who from their modest homes and communities revitalized the faith of a continent The Complete Works Hadewijch, 1980 The most in depth and scholarly panorama of Western spirituality ever attempted In one series the original writings of the universally acknowledged teachers of the Catholic Protestant Eastern Orthodox Jewish Islamic and Native American traditions have been critically selected translated and introduced by internationally recognized scholars and spiritual leaders The texts are first rate and the introductions are informative and reliable The books will be a welcome addition to the bookshelf of every literate religious persons The Christian Century Copyright Libri GmbH All rights reserved **Dissident Women, Beguines, and the Quest for Spiritual Authority** Catherine Lambert, 2024-11-12 *Dissident Women Beguines and the Quest for Spiritual Authority* focuses on the responses of a group of twenty first century women to the lives and writings of thirteenth century beguine mystics and reveals how the struggle to discover their own inner spiritual authority connects two groups of women across centuries For contemporary women who are disenchanted with the institutional church and who seek spiritual direction models deeply rooted within the tradition may not be the most helpful The author explores the value of exemplars from the fringes ushering Hadewijch of Brabant Mechthild of Magdeburg and Marguerite Porete into the spotlight The contemporary women studied developed a relationship with the beguines that transformed and influenced their own journeys Their encounters underline the importance of remembering the beguine mystics the value of contemplative engagement with historical mystics and the need for explicit validation of the richness of the edges of tradition within spiritual direction *Dissident Women Beguines and the Quest for Spiritual Authority* will be of particular interest to scholars of mysticism and spirituality as well as practical pastoral and feminist theology **The Mystical Presence of Christ** Richard Kieckhefer, 2022-09-15 *The Mystical Presence of Christ* investigates the connections between exceptional experiences of Christ's presence and ordinary devotion to Christ in the late medieval West Unsettling the notion that experiences of seeing Christ's figure or hearing Christ speak are simply exceptional events that happen at singular moments Richard Kieckhefer reveals the entanglements between these experiences and those that occur through the imagery language and rituals of ordinary everyday devotional culture Kieckhefer begins his book by reconsidering the who and the how of Christ's mystical presence He argues that Christ's humanity and divinity were equally important preconditions for encounters both exceptional and ordinary which Kieckhefer

proposes as existing on a spectrum of experience that moves from presupposition to intuition and finally to perception Kieckhefer then examines various contexts of Christ manifestations during prayer meditation and liturgy for example with attention to gender dynamics and the relationship between saintly individuals and their hagiographers Through penetrating discussions of a diverse set of texts and figures across the long fourteenth century Angela of Foligno the nuns of Helfta Margery Kempe Dorothea of Montau Meister Eckhart Henry Suso and Walter Hilton among others Kieckhefer shows that seemingly exceptional manifestations of Christ were also embedded in ordinary religious experience Wide ranging in scope and groundbreaking in methodology *The Mystical Presence of Christ* is a magisterial work that rethinks the interplay between the exceptional and the ordinary in the workings of late medieval religion [How the Doctrine of Incarnation Shaped Western Culture](#) Patricia Ranft,2013 In recent years numerous scholars in disciplines not traditionally associated with theology have promoted an interesting thesis They maintain that one particular Christian doctrine the Incarnation had an inordinate influence on the shape of Western culture The doctrine they say was so radical that it mandated an epistemological break with pagan society s perception of the universe and forced Christians to form a new culture As medieval society worked out the consequences of the doctrine it gave birth to those attitudes institutions and actions that define modern Western culture The claims are well argued but it is a historically untested thesis *How the Doctrine of Incarnation Shaped Western Culture* is a response to the situation It investigates whether the presence of the doctrine had the definitive effect on Western culture that so many scholars claim it did It searches early Christian and medieval sources for evidence and concludes that the doctrine had a dominant effect on the developing culture No other idea was as omnipresent or pervasive in Western society during its formative stage as the Incarnation doctrine The doctrine was influential in the establishment of every major facet of Western culture Its paradox irrationality and juxtaposition of opposites created a tension that cried out for resolution and society responded accordingly The ideas within the doctrine acted as catalysts for cultural change As a result the West developed its most characteristic traits and forged a path that was uniquely its own ***Allegories of Love in Marguerite Porete's Mirror of Simple Souls*** Suzanne Kocher,2008 *Medieval Women Texts Contexts* ***The Presence of God: The flowering of mysticism: men and women in the new mysticism (1200-1350)*** Bernard McGinn,1991 ***The Presence of God: The flowering of mysticism*** Bernard McGinn,1998 *The foundations of mysticism series* [The Downside Review](#) ,1985 ***An Introduction to Christian Mysticism*** Thomas Merton,2008 In these conferences dating to 1961 Thomas Merton provides for his audience of young monks an overview of major themes and figures in the Christian mystical tradition as an integral part of their religious inheritance and a crucial part of their spiritual formation From Fathers of the Church such as St Athanasius and St Gregory of Nyssa through such important medieval theologians as St Bonaventure Hadewijch and Meister Eckhart to the great Spanish Carmelites St Teresa of Avila and St John of the Cross Merton traces such key topics as the integration of theology and spirituality the importance

of natural contemplation recognizing the divine presence in creation the centrality of apophatic or dark contemplation and the role of spiritual direction in forming mature and balanced contemplatives **Telos** ,2004 The Reader's Adviser ,1986

The Joy of Learning and the Love of God Jean Leclercq (o.s.b.),Ellen Rozanne Elder,1995 A collection of papers written in memory of Pere Jean Leclercq about the history of monasticism in Medieval Europe *The Hidden Tradition* Lavinia Byrne,1991 **Cistercian Studies** Cistercians,1966 *Mystics Quarterly* ,1996 The American Benedictine Review ,1993
