Hamlet Grade 12 Exam Paper:

Not a Fairy Tale Jacalyn Lewicki, 2023-02-22 For millennia selected juvenile dragons from the Seven Kingdoms of Saridon have been commissioned to cross the dimensional boundaries to Earth on missions to accompany gifted or unique humans through their lives to their destinies Over the years as dragon society has changed the original purpose and intent of this Shadowing have been lost but the programme entrenched in Saridonian tradition continues although much reduced in magnitude Banpine a young Silver Iridescent dragon is sent to Earth to shadow a human girl named Lydia born in Saskatchewan in the mid 1950s into a modest home and apparently ordinary family But things take a dark turn when his young human becomes the victim of sexual and emotional abuse by her father When at last Lydia reveals the crime to her siblings and mother she finds herself trapped in a web of duplicity as they attempt to preserve the fiction that their family is whole and functional As Banpine supports Lydia helping her to survive the atrocities committed against her the dragon and human forge a relationship unique in the annals of the Shadow Programme one that ignites an earthshaking reformation in the dimension of dragons Not a Fairy Tale is a sophisticated adult fantasy that attacks individual and social apathy toward the suffering of others making it clear that those who deny or ignore the existence of acts of aggression are as culpable as the perpetrator It shines an often uncomfortable light on the way that blind adherence to tradition and devotion to the status quo silence the oppressed and perpetuate abuse With or without the help of dragons healing can only begin with speaking and being heard *English Journal*, 2001 *Journal of Education*, 1893 *History Teacher's Magazine*, 1913

GENERAL QUESTIONS 1 To show the simplicity of the plot material outline the action in one hundred words or less 2 Give
reasons for the play s comparative poverty in subtle analysis of character and motive and in poetic beauty What is the
influence in this respect of the nobly simple austere and somewhat stiff personality of Brutus If Antony had been allowed to
dominate and determine the tone of the play how would the play have differed in effect It would not be entirely misleading to
compare in this connection the wonderfully rich and various Antony and Cleopatra Coriolanus also has a voluminous majesty
and a sumptuous splendor which forbids the assertion that the simplicity of Julius Ccesar is due to the poet s estimate of the
Roman type of mind 3 What powers of the poet s mind are scarcely brought into play in this drama What powers are clearly
in evidence 4 Try to define the exact nature of the pleasure you take in this play Is it at all like the pleasure you take in any of
the great tragedies or in any of the comedies 5 Why is this play especially suited to the comprehen sion of children and to the
elementary type of mind among adults This must not of course be understood to imply condemnation unless we wish to
include in that condemnation almost the entire tragic theater of the ancient world What scenes do you leave out of
consideration in your answers to this and to the three preceding questions 6 Would you say that in this play the poet s
powers of expression are in advance of his thought or thatjijiejr lag Jbehind his thought Or are thought and expression in a
nearly perfect equipoise Select several passages in illustration Compare A Midsummer Night s Dream and The Tempest in
