Modern World History Workbook:

World History: Patterns of Interaction Grades 9-12 Holt McDougal, 2010-12 The World History Workbook David Hertz, 2009 Workbook and guide to ideas and methods in the field of world history *Essential Modern World History* Steven Waugh, 2001 This product represents a complete resource package for the new GCSE specifications Accompanying the student book this resource pack has been specifically developed to match the Edexcel Modern World GCSE specification The pack features practical advice and ready to use copymasters that aim to provide detailed assessment guidance differentiated support for all ability levels a breakdown of different types of questions in the written examination papers at two levels and coverage of content options within each question type Modern World History: Patterns of Interaction, 2010-12-31 **The World History Workbook** David Hertz, 2009-03-16 This innovative and user friendly two volume workbook is designed to guide students and instructors through the ideas and methods of the growing field of world history Useful as either a supplement or a core text this hands on book provides all the elements necessary to conduct a full fledged world history course including narrative projects primary sources and a glossary of terms Using the guiding thematic argument that world history is the history of a single humanity David Hertz asks students to examine historical universals such as language and the unified heritage of languages genealogy myth motifs and themes of literature and archetypes Rather than provide exhaustive coverage of each of these vast topics the workbook provides judiciously selected historical examples as models from which instructors and students can open discussion suitable to the time and circumstance of the particular class The projects guide students to recognize universals in their own lives and societies allowing instructors and students to pursue historical themes in a critical and open environment Despite the rigor of the comparative method and the extensive use of primary material the workbook retains a simple but powerful theme and approach making it accessible to students representing a wide range of educational and social backgrounds Modern World History Workbook McDougal Littell Incorporated, 2001-01-01 **Hmh Social Studies** , Modern World History Dan Allosso, Tom Williford, 2021

The World History Workbook David Hertz, 2016 This innovative and user friendly workbook now combined into a single volume organized chronologically guides students and instructors through the ideas and methods of world history Designed to be used either as a stand alone text or as a companion to a more traditional text this hands on book provides all the elements necessary to support a world history course including narrative projects primary sources and a detailed glossary of terms David Hertz uses the guiding argument that world history is the heritage of every student s own family culture language and values He asks students to examine historical universals such as language genealogy myth literature religion and archetypes Rather than provide exhaustive coverage of each of these vast topics the workbook provides judiciously selected historical examples as models that can launch discussions suitable to the needs of a particular class The projects guide readers to recognize universals in their own lives and societies allowing instructors and students to pursue

historical themes in a constructive and open environment The thoughtful readings and questions address moral issues involving freedom equality and justice and the projects are designed to be used in a discussion or Socratic method in classes of all sizes Despite the rigor of the comparative method and the extensive use of primary material the workbook retains a simple but powerful theme and approach making it accessible to students from a wide range of educational and social backgrounds

Modern World History Mark Tauger, Angela Feres, 2010 *THE WORLD HISTORY WORKBOOK THE MODERN WORLD SINCE 1500 VOLUME 2* D. HERTZEL, 2022 The World History Workbook David Hertzal, 2023-02-13

For more than two thousand years the Socratic dialogue has been a hallmark of higher education and the method which defines critical thinking David Hertzal's textbook provides a framework of world historical sources narratives and questions through which instructors can gracefully adopt a Socratic method for their General Education classes No textbook in any field applies critical methods more successfully than does this one Now in its third edition the author and editors at Rowman and Littlefield have updated The World History Workbook to include a new chapter on the mixed legacy of globalization and modernization both defined as having descended from humanist principles The third edition also includes several additional primary sources revised numerous projects passages on a diversity of world historical topics including women folktales Swahili as a lingua franca and the personal significance of ancestry The core material of narrative primary sources and projects remains intact from the first and second editions The Workbook follows the argument that humans share a common history albeit with contrasting particular experiences The subject of the course therefore addresses the place students and their instructors hold in human history Students are encouraged to explore historical problems that persist in modern society and project questions suggest grand yet accessible discussion topics including justice gender bureaucracy human rights individuality ancestry faith and reason and other timeless human problems

The World History Workbook David Hertzal, 2009 Mastering Modern World History Norman Lowe, 2013-05-17 The fifth edition of this bestselling book is for school and college students taking courses in Modern World History and for undergraduates in History and International Relations It is a complete self contained lively and highly readable course suitable for individual study or classroom use The general reader who wishes to find out how the world got into its present state will also find the book useful Key features of the fifth edition A new chapter on Latin America and its changing relationship with the USA New sections on the Arab Spring the 2008 financial crash and its aftermath and the European Union in crisis New material on the changing face of communism in China USA Bush to Obama Russia under Putin and Medvedev the continuing conflict between Palestinians and Israelis and the war against terrorism Content includes A survey of international relations and war from 1900 to 2012 Europe and its history the rise and fall of fascism and communism International affairs of the major superpowers USA Russia USSR and China International conflict The Holocaust 9 11 and the fall of Saddam Hussein Decolonization and subsequent events in Africa and the rise of political Islam Global problems climate change economic crises the population explosion Mention of

disagreements and controversies among historians as well as new interpretations and discoveries Norman Lowe has had many years experience of teaching History at all levels and for 25 years was Head of History at Nelson and Colne College in Lancashire He is the author of Mastering Modern British History and Mastering Twentieth Century Russian History Fully updated companion website with examples of document questions for each chapter www.palgrave.com/masterseries Lowe
