1. Tell me about yourself!

This is a common interview question typically asked at the start of the interview. Your answer should highlight your relevant skills and experiences.

Example Answer:

I have six years of experience working various roles and projects that have allowed me to hone my skills in electrical engineering. In my last role, I was responsible for designing and implementing power distribution systems for commercial buildings and ensuring efficient energy utilization and compliance with safety standards.

Throughout my career I have developed proficiency in using programming languages to help implement algorithms and perform simulations for electrical systems. I have excellent problem-solving skills and I am detail-oriented in my approach. I am excited about the opportunity to leverage my skills and contribute to the success of your company.
