Christian Ethics And Contemporary Moral Problems:

Christian Ethics and Contemporary Moral Problems Michael C. Banner, 1999-09-28 This book addresses such key ethical issues as euthanasia the environment biotechnology abortion the family sexual ethics and the distribution of health care resources Michael Banner argues that the task of Christian ethics is to understand the world and humankind in the light of the credal affirmations of the Christian faith and to explicate this understanding in its significance for human action through a critical engagement with the concerns claims and problems of other ethics He illustrates both the distinctiveness of Christian convictions in relation to the above issues and also the critical dialogue with practices based on other convictions which this sense of distinctiveness motivates but does not prevent The book's importance lies in its attempt to show the crucial difference which Christian belief makes to an understanding of these issues whilst at the same time demonstrating some of the weaknesses and confusions of certain popular approaches to them [Christian Ethics and Contemporary Moral Problems](#) Michael C.. Banner, 2019 Michael Banner explores the significance of Christian belief for several ethical issues including euthanasia the environment abortion the family and sexual ethics He shows the crucial difference which Christian belief makes to an understanding of these issues and demonstrates some of the weaknesses of certain popular approaches to them [Christian Morality](#) Geoffrey W.
