Employability Skill Question And Answer Of Iti

T. C. Mohan,C. L. Narasimhan

Employability Skill Question And Answer Of Iti :

Information Technology MCQ Manoj Dole, Information Technology MCQ is a simple Book for ITI Engineering Course Information Technology It contains objective questions with underlined bold correct answers MCQ covering all topics including all about the latest Important about Information Technology trade a candidate is trained on professional skill professional knowledge and Engineering Drawing Workshop Calculation Science and Employability skill related to job role In addition to this a candidate is entrusted to undertake project work and extracurricular activities to build up confidence The broad components covered under Professional Skill subject are as below

FIRST YEAR In this year the trainee learns about safety and environment use of various trade tools safety measures involved in the industry Gain basic knowledge of Electrical and Electronic components related to Computer and Networking system They learn about assembling and servicing of Desktop computer hardware components Trainee learns about Installing UNIX LINUX other operating system with application software and Adding new users software material components Identification of laptop sections and connectors Assembling and disassembling a Laptop troubleshooting Latest Tools Gadgets for Desktop Laptop Repairs They learn to install and use different types of printers Scanner MFD Scanner Trainees are able to install and configuration Monitor display card and driver front panel controls and settings Practice on Backup Drives Maintenance and Troubleshooting of PC They can also assemble disassemble of Tablet Smart Devices The trainee learns to work on MS office package word excel power point outlook They learn to design graphics using Adobe Page maker Corel draw and Adobe Photoshop Trainees are able to create email account chat and browse through internet and Microsoft Outlook Express They learn to design and develop web pages using HTML They perform create and record various formats of multimedia audio and video files using digital audio and video editor tools Trainees are able to create customized database files using Microsoft Access and Visual Basic

SECOND YEAR In this year the trainee learns Network fundamentals They also learn to set up and configuring Networking System using various network devices Trainees are able to configure Data communication equipment Network Protection and troubleshooting Server Installation managing Server Network Security Linux Server installation and configuration Network Security The trainee learns about image editing and graphic design using Adobe Illustrator and Flash video and audio editing using Adobe Premier They learns to create graphics animation using Adobe after Effects and 3Ds Max They learn to design webpage using Front Page also use HTML and PHP embedding VBScript JavaScript and publish in a local server They will learn basic python based coding and programming They learn about functions operators expressions priorities bindings strings list modules errors and etc Trainees are also learn to use Dreamweaver and also on practice on Open Source Tools for Web Designing and Information Security Vulnerabilities We add new question answers with each new version Please email us in case of any errors omissions This is arguably the largest and best e Book for All engineering multiple choice questions and answers As a student you can use it for your exam prep This Book is also useful for professors

to refresh material

Database System Assistant MCQ Manoj Dole, Database System Assistant MCQ is a simple Book for ITI and practice on MySQL syntax for database design At the end of this year trainees can go on industrial visit or projects specified in the syllabus The trainee learns to create a table and manipulate data using query language Select data from table using select query and maintain database Practice on transaction in database using SQL programming Implement XML data and use it in SQL server Design an online Database System using open source software tools Secure a Database System by applying Information Security Security Threats Security Vulnerabilities and Risk Management Implement Database System backup and restoring backup Implement Database System security by creation of roles and functions for Database Users Configure and use Web Server Reporting Services tools At the end of year trainees can go on industrial visit or projects specified in the syllabus

Electrician Power Distribution MCQ Manoj Dole, Electrician Power Distribution MCQ is a simple Book for ITI Engineering Course Electrician Power Distribution NSQF Syllabus It contains objective questions with underlined bold correct answers MCQ covering all topics including all about Professional Skill Professional Knowledge and Employability Skills related to job role In addition to this a candidate is entrusted to make do project work and Extra Curricular Activities to build up confidence The practical skills are imparted in simple to complex manner simultaneously theory subject is taught in the same fashion to apply cognitive knowledge while executing task The broad components covered under Professional Skill subject are as below

FIRST YEAR The trainee learns about safety and environment use of fire extinguishers practices elementary first aid rescue a person and artificial resuscitation He gets the idea of trade tools its standardization identifies different types of conductors cables their skinning jointing soldering and crimping etc Basic electrical laws like Kirchhoff s law ohm s law laws of resistances and their application in different combinations of electrical circuits are practiced along with laws of magnetism The trainee practices on circuit for single phase and poly phase circuits for 3 wire 4 wire balanced unbalanced loads and working with analog and digital measuring instruments The trainee work with different electronic components circuits and analyze waveforms in CRO The trainee learns about testing and maintenance of batteries and solar cell Wiring practice with installation of different accessories like ICDP switch distribution fuse box and mounting energy meters are practiced as per IE rules and its fault detection is done by trainee Different types of light fitting are to be done like fluorescent tube HP sodium vapour lamp LEDs and their fixtures He learns Practice reading of power and control schematic drawings of motors and starters Operation testing and maintenance of induction motors alternators and synchronous motors are practiced The trainee learns to perform auto tuning and operation of AC drives Learns to repair and installation of inverter stabilizer battery charger and UPS

SECOND YEAR The trainee practices on control cabinet wiring and testing of control elements Understands power generation transmission and distribution network He identifies various substation equipment viz isolators over current relays earth fault relay differential relay REF relay lightning arresters Surge counter wave trap Reactor Capacitor bank Circuit breakers ACB SF 6 and VCB etc Practices

operation and maintenance of isolators circuit breakers and other equipments used in distribution substations Skill will be gained on transformer for operation maintenance and functional tests viz open circuit short circuit IR PI induced voltage BDV of transformer oil etc He practices on LT HT cable jointing laying of cables tests and fault finding of underground cables The trainee learns to install test repair and replace Current and Potential transformers used in distribution substations The trainee practices for pipe plate and meshearthing and carries out maintenance of earth system Identifies various conductors ACSR AAC ABC and cable insulation Practices on joining of overhead line conductors erection of poles fitting of accessories and commissioning of distribution line He learns to monitor meter readings reading of MRI reports generating electricity bills using SBM and maintaining log sheets at substations Practices isolation and switching procedure lock out tag out system settings of relays examine faults in control room and repair substation equipment and panels The Trainee also learns and practices on fire fighting equipment used in substations

Cosmetology MCQ Manoj Dole, Cosmetology MCQ is a simple Book for ITI Course Cosmetology Revised NSQF Syllabus It contains objective questions with underlined carry out epilation and depilation services illustrate and explain hair structure carry out manicure and pedicure services The trainee is able to explain anatomy of nail differentiate and identify nail disease carry out facial treatments for common skin problems illustrate and explain skin structure carry out hair treatment for common hair problems The learner learns to illustrate and explain structure of hair create basic haircuts using special cutting techniques demonstrate basic yogic exercises for stamina building and correcting body posture demonstrate day evening party demonstrate hair colouring perming straightening rebonding create bindi heena tattoo designing drape saree in different styles and demonstrate asanas for spine stretching stress management common body ailments after completion of this course

Multimedia Animation and Special Effects MCQ Manoj Dole, Multimedia Animation and Special Effects MCQ is a simple Book for ITI Engineering Course Multimedia Animation and Special Effects Operator Revised NSQF Syllabus It contains objective questions with underlined bold correct answers MCQ covering all topics including all about the latest Important about Multimedia Animation Special Effects trade a candidate is trained on professional skill professional knowledge and Employability skill related to job role In addition to this a candidate is entrusted to undertake project work and extra curricular activities to build up confidence The broad components covered under Professional Skill subject are as below During one year duration the trainee learns about safety and environment use of fire extinguishers They learn about computer peripherals Windows interface and its related software installation process Trainees will work with MS Office package for basic knowledge of computer Trainees will work with Photography like Adobe Photoshop to edit image retouch and fixing image using color filter and for digital painting They also learn and experience with application software with Adobe Photoshop illustrator for advance editing and graphic design The trainees also learn Videography to practice the craft of film making video streaming with advance features of camera At the mid of the year the trainees can go on industrial visit or projects specified in the syllabus The trainee learns to browse

internet upload download video streaming and secure data from different cyber attack They will work with Adobe Premier for video editing mixing audio text image and video Trainees will work with Adobe after effect to add special effect and compositing on video They will work with Flash to create 2D animation graphic illustration and compositing sound animation The trainees will learn and experience in 3Ds Max to create 3D architectural Design 3D modeling and texturing Finally the trainees will work with Maya to create 3D animation 3D modeling Texturing Rigging Lighting Rendering artist At the end of the year trainees can go on industrial visit or projects specified in the syllabus

Surveyor MCQ Manoj Dole, Surveyor MCQ is a simple Book for ITI Engineering Course Surveyor It contains objective questions with underlined bold correct answers MCQ covering all topics including all about the latest Important about Surveyor trade is trained on subjects Professional Skill Professional Knowledge Employability skills related to job role In addition to this a candidate is entrusted to make do project work and Extra Curricular Activities to build up confidence The practical skills are imparted in simple to complex manner simultaneously Professional Knowledge theory subject is taught in the same fashion to apply cognitive knowledge while executing task The practical part starts with simple geometrical drawing and finally ends with preparing topographical map Cadastral mouza map detailed road project survey drawing using CAD application of GIS techniques Hydrographic survey Transmission line site survey railway line site survey sanction plan of Residential Public building and detailed estimate The broad components covered under Professional Skill subject are as below

FIRST YEAR In the beginning of the course the trainees are acquainted with occupational safety health PPE etc Observation of all safety aspects is mandatory The safety aspect covers components like OSH E PPE Fire extinguisher First Aid etc The practical part starts with basic drawing consisting of lettering numbering geometrical figure symbols representations Later the drawing skills imparted are drawing of different scales projections perform site survey and prepare a site plan using chain tape prismatic compass perform AutoCAD drawing Knowledge and application of Computer Aided Drawing has been introduced Workspace creating drawing using toolbars commands and menus Plotting drawing from CAD Different site survey using Plane table radiation intersection traversing determination of height Theodolite measurement of angle traversing computation of area Levelling instrument different levelling differential reciprocal etc tachometer determination of horizontal and vertical distance constants etc field book entry plotting mapping calculation of area preparing traverse drawing simple building drawing using CAD are being taught in the practical

SECOND YEAR Making topographical map using Level instruments with contours Interpolation of contour preparation of section computation of volume setting of simple compound reverse transition and vertical curve performing survey using Total Station and preparation of map measurement of angle co ordinates and heights downloading survey data and plotting making of site plan by Cadastral survey preparation of site plan calculation of plot area etc performing road project survey location survey and preparation of route map profile longitudinal cross sectional levelling and plotting and survey drawing using CAD Drawing of cartographic projection setting and application of GIS GPS techniques in

various fields collection and processing of data performing hydrographic survey determining hydrographic depth measuring velocity of flow determining cross sectional area of river calculating the discharge of a river etc performing transmission line site survey making of alignment conducting detailed survey final location survey and making of tower foundation pit point performing railway line site survey drawing of building by CAD and preparation of estimation are being done as part of practical training

Driver cum Mechanic MCQ Manoj Dole, Driver cum Mechanic MCQ is a simple Book for ITI Course Driver cum Mechanic Revised NSQF Syllabus It contains objective questions with underlined bold correct answers MCQ covering all topics including all about the latest Important about Driver cum Mechanic LMV trade is trained on Professional Skill Professional Knowledge and Employability Skill related to job role In addition to this a candidate is entrusted to make do project work and Extra Curricular Activities to build up confidence The broad components covered under Professional Skill Professional Knowledge subjects are as below After completion of this course the trainee will be able to drive Light Motor Vehicle drive safely on the assigned route without Company of a senior driver and will ensure Road worthiness of the vehicle through pre operational checks also the trainee will drive in conformance to standard driving practices and follow Traffic Regulations and maintenance of good road conduct Apart from driving the vehicle the trainee will also be able to carry out the Basic Servicing of vehicle carry out checks of steering and suspension system for its road worthiness Basic Servicing of front and rear wheels brake check ignition circuit for proper functioning Also the trainee will be able to Communicate with required clarity and understand technical English environmental issues self learning and productivity

Computer Hardware and Network Maintenance MCQ Manoj Dole, Computer Hardware and Network Maintenance MCQ is a simple Book for ITI Engineering Course Computer Hardware and Network Maintenance Revised NSQF Syllabus It contains objective questions with underlined bold correct answers MCQ covering all topics including all about the latest Important about Computer Hardware and Network Maintenance trade a candidate is trained on professional skill professional knowledge Employability skill related to job role In addition to this a candidate is entrusted to undertake project work and extra curricular activities to build up confidence The broad components covered under Professional Skill subject are as below During the period of one year the trainee learns about safety and environment use of first aid kit They learn about basics of electrical and electronic component related to hardware and networking system They will learn to assemble and repair desktop PC with all its internal components Trainees will able to install different types of operating system and all other application software customization of OS updating device driver setting firewall security junk file removal data backup and data recovery techniques They also learn to assemble and repair Laptop PCs and its internal hardware components The trainees also learn to work on office package word excel power point At mid of the year trainees can go on industrial visit or projects specified in the syllabus The trainee learns to install and work with Linux environment They will able to install and configure different types of printer plotter scanner and troubleshoots its faults The trainees will learn to setup and configure

networking system using various network devices using crimping punching setting IP addressing techniques They are able to share and control resource and internet connection over network They learn to secure networking system from different types of attacks They also learn to install and configure Windows and Linux server Finally the trainees will learn about internet and different types of web browsers At the end of the year trainees can go on industrial visit or projects specified in the syllabus

Secretarial Practice (English) MCQ Manoj Dole, Secretarial Practice English MCQ is a simple Book for ITI Engineering Course Secretarial Practice English Revised NSQF Syllabus It contains objective questions with underlined bold correct answers MCQ covering all topics including all about the latest Important about Secretarial Practice English trade a candidate is trained on Professional Skill Professional Knowledge and Employability Skill related to job role In addition to this a candidate is entrusted to undertake project work extracurricular activities and on the job training to build up confidence The broad components covered under Professional Skill subject are as below The trainee learns about safety and environment use of Secretarial Practice English artificial respiratory resuscitation to begin with He gets the idea of about the basic computer fundamentals its peripherals classify the consonants its direction joining the consonants distinguish between long short vowels Describe Logograms Gramalogues Contraction use of the punctuation mark Understand Diphthong Prepare Windows operating system on computer Compare all types of alternative forms recognize the finger positioning on the computer keyboard Compare all types of alternative forms recognize the finger positioning on the computer keyboard Recognize the direction of SHR SHL Observed curved hooked strokes and compound consonant Recognize Final Hooks Recognize Final Hooks application of the prefixes and suffixes Identify the monetary units use it Identify the monetary units use it In this year trainees able to write in shorthand translation note taking techniques and apply on computer for speed typing in MS Word The trainee will be able work with MS Excel by manipulating data maintain office stationeries maintain simple accounts with formulas and functions Label the office layout Name the dispatch and diary register maintain computer data safety Identify all types of file requirements implement the same on MS Power point Demonstrate MS PowerPoint Presentation searching of information with internet browser Create E Mail ID correspondence through mail filling up online forms and documents for registration etc booking tickets for rail bus air and hotels Identify all types of official tools equipment Observe all types of postal services Prepare all types of letters notice agenda minutes reports circular memorandum Trainees will able to maintain calendar of event and general Banking Correspondence

Architectural Draughtsman MCQ Manoj Dole, Architectural Draughtsman MCQ is a simple Book for ITI Engineering Course Architectural Draughtsman Revised NSQF Syllabus Architectural Draughtsman It contains objective questions with underlined bold correct answers MCQ covering all topics including all about the latest Important about Professional Skill Professional Knowledge and Employability Skills related to job role In addition to this a candidate is entrusted to make do project work and Extra Curricular Activities to build up confidence The practical skills are imparted in simple to complex

manner simultaneously theory subject is taught in the same fashion to apply cognitive knowledge while executing task The practical part starts with Architectural symbols simple geometrical drawing and finally ends with designing Doors Windows Stairs designing of Residential office building in CAD 3D in sketch up software Working drawing Rendering in Photoshop Preparation of 3D model and BOQ using BIM software like Revit etc The broad components covered under Professional Skill subject are as below

FIRST YEAR The first year starts with Importance of trade training and professional prospects Importance of safety and general precautions The practical training starts with Free hand sketching Lettering basic drawing consisting geometrical figure Architectural symbols representations Later the drawing skills imparted on drawing of projections drawing of stone and brick masonry foundation Carpentry Joints Doors Windows Lintels Arches Trainees are introduced with CAD and then they are entrusted to practice drawings with CAD Drawing of Damp proof Course DPC Projection of Solids in inclined positions Section of solids Residential building Design Stairs Floors and flooring Surface Development Final site plan with landscape are being taught in the practical From this year trainees make drawings in CAD Apart from practical components the trainees are being taught of History of architecture Egyptian architecture Greek architecture Roman architecture and Indian architecture and related theory to practical in theory class

SECOND YEAR Design of single double storied Residential building Post office farm house project in 3D sketch up drawing of Special doors windows Roof and roof coverings final design of plans rendered with furniture layout Final site plan with landscape elements rendered working drawing showing all dimensions of rooms and column grids with door window schedule and details all four elevations with floor heights lintel heights sill heights and details Section through staircase or toilet with complete details in the practical and related theory to practical in theory class are being taught in this year Project like small scale residential apartment primary school small office design Joints in structure using CAD Preparation of 3D model and BOQ using BIM software like Revit etc Rendering in Photoshop Compilation and final submission of Project work in the practical and related theory to practical Climatic responsive design Energy conservation Green Architecture sustainable architecture in theory class being taught in this year

Employability Skill Question And Answer Of Iti Introduction

In today's digital age, the availability of Employability Skill Question And Answer Of Iti books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Employability Skill Question And Answer Of Iti books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Employability Skill Question And Answer Of Iti books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Employability Skill Question And Answer Of Iti versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Employability Skill Question And Answer Of Iti books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Employability Skill Question And Answer Of Iti books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Employability Skill Question And Answer Of Iti books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These

libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Employability Skill Question And Answer Of Iti books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Employability Skill Question And Answer Of Iti books and manuals for download and embark on your journey of knowledge?

FAQs About Employability Skill Question And Answer Of Iti Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Employability Skill Question And Answer Of Iti is one of the best book in our library for free trial. We provide copy of Employability Skill Question And Answer Of Iti in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Employability Skill Question And Answer Of Iti . Where to download Employability Skill Question And Answer Of Iti online for free? Are you looking for Employability Skill Question And Answer Of Iti PDF? This is definitely going to save you time and cash in something you should think about.
