*Back to the Future: Using Marketing Basics to Provide Customer Value* Nina Krey, Patricia Rossi, 2017-12-04 This proceedings volume presents timely research and insights on the advancement of marketing's basic premise providing greater levels of customer value. In recent years both marketing scholars and practitioners have witnessed great advancements in technology and methodologies associated with big data with location based marketing centered on mobile apps and the real time tracking of consumer behavior and with innovations and enhancements in communications utilizing the continually growing presence of social media. Featuring the full proceedings of the 2017 Academy of Marketing Science AMS Annual Conference held in Coronado Island California this volume provides ground breaking research from scholars and practitioners from around the world that will help marketers in providing value for companies consumers and society. Founded in 1971 the Academy of Marketing Science is an international organization dedicated to promoting timely explorations of phenomena related to the science of marketing in theory research and practice. Among its services to members and the community at large the Academy offers conferences congresses and symposia that attract delegates from around the world. Presentations from these events are published in this Proceedings series which offers a comprehensive archive of volumes reflecting the evolution of the field. Volumes deliver cutting edge research and insights complementing the Academy's flagship journals the Journal of the Academy of Marketing Science JAMS and AMS Review. Volumes are edited by leading scholars and practitioners across a wide range of subject areas in marketing science.

**The Psychology of Food Marketing and Overeating** Frans Folkvord, 2019-07-31 Integrating recent research and existing knowledge on food marketing and its effects on the eating behaviour of children adolescents and adults this timely collection explores how food promotion techniques can be used to promote healthier foods. Numerous factors influence what when and how we eat but one of the main drivers behind the unhealthy dietary intake of people is food marketing. Bringing together important trends from different areas of study with state of the art insights from multiple disciplines the book examines the important factors and psychological processes that explain the effects of food marketing in a range of contexts including social media platforms. The book also provides guidelines for future research by critically examining interventions and their effectiveness in reducing the impact of food marketing on dietary intake in order to help develop new research programs legislation and techniques about what can be done about unhealthy food marketing. With research conducted by leading scholars from across the world this is essential reading for students and academics in psychology and related areas as well as professionals interested in food marketing and healthy eating.

**Management of Shari'ah Compliant Businesses** Ezlika M. Ghazali, Dilip S. Mutum, Mamunur Rashid, Jashim U. Ahmed, 2019-03-18 Muslim consumers represent an untapped and viable market segment but to date there has been very little research on catering to their needs or running and managing Islamic businesses. Innovations in Islamic business interest in the use of Sukuk Islamic bonds to finance major projects pressures on Islamic

banks to reduce the financing gap in society and the need to understand Muslim consumers require a deeper grasp of the issues and opportunities involved which are quite unique In similar vein acquiring expertise on topics specific to Shari ah compliant businesses requires a thorough knowledge of matters ranging from financing to branding and in a broader sense creating an entrepreneurial framework suitable to the market This book fills this gap by presenting high quality and original case studies on Islamic finance marketing and management from around the world Equally valuable in business school classrooms and for c suite strategists it will help readers shape business strategies to tap into a billion strong market
