Introduction to New and Alternative Religions in America William M. Ashcraft, Eugene V. Gallagher, 2006-10-30 Most new or alternative religions are gravely misunderstood by members of the religious mainstream Labeled cults or sects groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large Despite their efforts at educating the general public the various anti and counter cult activists have in fact promoted much more misunderstanding than accurate understanding of the religious lives of some of their fellow citizens Consequently they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so called mainstream This set rectifies the situation by presenting accurate comprehensive authoritative and accessible accounts of various new and alternative religious movements that have been and are active in American society and it addresses ways of understanding new and alternative religions within a broader context Determining what actually constitutes a new or alternative religion is a subject of constant debate Questions arise as to a new faith s legitimacy beliefs methods of conversion and other facets of a religious movement s viability and place in a given culture How a religion gains recognition by the mainstream which often labels such new movements as cults is fraught with difficulty tension and fear Here experts delineate the boundaries and examine the various groups beliefs movements and other issues related to new faiths and alternative beliefs Readers will come away with a fuller understanding of the religious landscape in America today

Volume 1 History and Controversies discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them This volume helps readers better understand what makes a new or alternative belief system a religion and the issues involved

Volume 2 Jewish and Christian Traditions explores the various new religions that have grown out of these two Abrahamic faiths Groups such as the Shakers the People s Temple the Branch Davidians Jehovah s Witnesses and others are examined

Volume 3 Metaphysical New Age and Neopagan Movements looks at Shamanism Spiritualism Wicca and Paganism among other movements as they have developed and grown in the U S These faiths have found new and devoted followers yet are often misunderstood

Volume 4 Asian Traditions focuses on those new and alternative religions that have been inspired by Asian religious traditions From Baha i to Soka Gakkai from Adidam to the Vedanta Society contributors look at a full range of groups practicing and worshiping in the U S today

Volume 5 African Diaspora Traditions and Other American Innovations examines the various traditions linked to the African diaspora such as Rastafarianism Santeria and the Nation of Islam alongside traditions that are truly American incarnations like Scientology

UFO religions and Heaven's Gate Some of the new and alternative religions covered in these pages include Shamanism Wicca Black Israelites Santeria Scientology Elan Vital Hare Krishna Soka Gakkai and many more

Muslim Communities in North America Yvonne Yazbeck Haddad, Jane I. Smith, 1994-01-01 This book provides a look at Muslim life and institutions forming in North America It considers the range of Islamic life in North America with its different racial ethnic and cultural identities customs and religious orientations Issues of acculturation ethnicity orthodoxy and the changing roles of women are brought into focus The authors provide insight into the lives of recent immigrants who are asking what is Islamically appropriate in a non Muslim environment Contrasts are drawn between Sunni and Shi'i groups and attention is given to the activities of some Sufi organizations The growing Islamic community among African American Muslims is examined including the followers of Warith Deen Muhammed and the sectarians identified with black power such as the Nation of Islam Darul Islam and the Five Percenters The authors document the challenges and issues that American Muslims face such as prejudice and racism pressure from overseas Muslims dress and education the influence of Islamic revivalism on the development of the community in this country and the maintenance of Muslim identity amidst the pressure for assimilation

The Complexities of Race Charmaine Wijeyesinghe, 2021-12-28 This book discusses current and pressing issues policies and practices that affect the experience and representations of race naming and belonging in American culture politics and racial justice efforts Many chapters adopt an intersectional approach when covering topics such as race as a choice white racial identity US Census categories transracial adoption and the experiences of people of color also marginalized by faith and sexual orientation

SPIN, 1991-02 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today's most innovative sounds Whether covering what's new or what's next SPIN is your monthly VIP pass to all that rocks
