Grist For The Mill Ram Dass:

Grist for the Mill Ram Dass, Stephen Levine, 1977 **Grist for the Mill** Ram Dass, Stephen Levine, 2014-02-11 From Ram Dass one of America's most beloved spiritual figures and bestselling author of *Be Here Now* and *Be Love Now* comes this timeless classic about the experience of being and the risks and rewards of our spiritual path Originally published in 1976 *Grist for the Mill* offers a deep spiritual journey of self discovery and a universal understanding of what it means to be and to grow as human beings The book is fully revised with a new introduction As Ram Dass puts it When the faith is strong enough it is sufficient just to be It's a journey towards simplicity towards quietness towards a kind of joy that is not in time It's a journey that has taken us from primary identification with our body and our psyche on to an identification with God and ultimately beyond identification **American Gurus** Arthur Versluis, 2014 Versluis shows how the convergence of Asian religions and Western mysticism produce the contemporary phenomenon of spontaneously enlightened gurus in America

Homegrown Gurus Ann Gleig, Lola Williamson, 2013-10-29 Today a new stage in the development of Hinduism in America is taking shape After a century of experimentation during which Americans welcomed Indian gurus who adjusted their teachings to accommodate the New World context American Hinduism can now rightly be called its own tradition rather than an imported religion Accordingly this spiritual path is now headed by leaders born in North America *Homegrown Gurus* explores this phenomenon in essays about these figures and their networks A variety of teachers and movements are considered including Ram Dass Siddha Yoga and Amrit Desai and Kripalu Yoga among others Two contradictory trends quickly become apparent an increasing Westernization of Hindu practices and values alongside a renewed interest in traditional forms of Hinduism These opposed sensibilities innovation and preservation radicalism and recovery are characteristic of postmodernity and denote a new chapter in the American assimilation of Hinduism **What Really**

Matters Tony Schwartz, 1996-03-01 At the height of his career as a journalist Tony Schwartz hit an unexpected wall Why did success suddenly feel so empty How could he add richer meaning to his everyday life What guides could he trust on the road to wisdom During the next five years his search for answers took him from a meditation retreat in the mountains of Utah to a biofeedback laboratory in Kansas from a peak performance workshop at a tennis academy in Florida to a right brain drawing course in Boston Blending the hunger of a seeker with a journalist's hard headed inquiry he discovered the best teachers and techniques for inner development and identified the potential pitfalls and false gurus he met along the way What he found dramatically changed his life It may change yours as well **Yoga Journal** , 1977-07 For more than 30 years *Yoga Journal*
