Rhythms of Revolt: European Traditions and Memories of Social Conflict in Oral Culture Éva Guillorel, David Hopkin, William G. Pooley, 2017-10-23 The culture of insurgents in early modern Europe was primarily an oral one memories of social conflicts in the communities affected were passed on through oral forms such as songs and legends This popular history continued to influence political choices and actions through and after the early modern period The chapters in this book examine numerous examples from across Europe of how memories of revolt were perpetuated in oral cultures and they analyse how traditions were used From the German Peasants War of 1525 to the counter revolutionary guerrillas of the 1790s oral traditions can offer radically different interpretations of familiar events This is a history from below and a history from song which challenges existing historiographies of early modern revolts **Smithson's Gamble** Tom D. Crouch, 2025-04-29 Discover the incredible history of the Smithsonian as it grew to meet the needs of a nation Follow the fascinating growth and development of the world s largest museum and research complex during its first 60 years The English chemist and mineralogist James Smithson never visited the United States yet he bequeathed his estate to the country to establish the Smithsonian Institution The rest is history told in rich detail in Smithson s Gamble This book reveals how as it defined a role rooted in curiosity and exploration the Smithsonian helped to shape the nation s developing identity The Smithsonian evolved from a small narrowly focused organization into an institution leading the way in fields from astrophysics to zoology Smithsonian researchers and the hundreds of citizen scientists who they recruited created a collection that documented the natural and human history of a continent The American conservation movement and a national weather service are rooted at the Smithsonian Smithson s Gamble is filled with fascinating characters twists and turns and moments of triumph and tragedy complete with political machinations a bit of backstabbing accusations of murder and the occasional scandal Tom D Crouch a Smithsonian veteran of almost 45 years paints a robust picture of a unique American establishment and its lasting legacies He chronicles the trials and errors of an increasingly complex institution and all the incredible joys and innovations resulting from Smithson s gamble My Reincarnation Story Evgeny Meshkov, 2026-04-02 In this book I write about what I learned about reincarnation once I found my past lives which include Vivien Leigh Michele Missy Avila Emma Hamilton Evdokia Dioper Cleopatra Hypatia Mary Magdalene Alexander III of Macedon Nefertiti Isis and others I ve barely scratched the surface in my research of reincarnation and I hope that other people will follow my example to discover more and more about this very important subject as well as about other spiritual subjects **Feminisms/Museums/Surveys** Hilary Robinson, Lara Perry, 2025-04-29 The first anthology of feminist art exhibition essays and museum publications providing an exciting and valuable overview of recent developments in feminist curation **Feminisms Museums Surveys Exhibition Curating 2005 2022** brings together works from exhibition catalogs and museum publications to provide a comprehensive and timely view of the modern approach to feminist curating Offering
