Steps 8 and 9 realize the Big Book's Promises and move on to Step 10 In this new follow up resource Fred H explores what he calls the ripple effect that can be created by using Step 10 to practice Steps 6 and 7 every day and avoid picking up the rock again Drawing on his years of lecturing on the Big Book of Alcoholics Anonymous and Twelve Steps and Twelve Traditions he reveals Step 10 as the natural culmination of working the previous Steps *The Message is Love* Penny Blue North,2023-02-16 If all hope is lost where do you turn At the lowest point of her life Penny Blue North decided to give up She gave up trying to control all the circumstances of her life to do everything with perfection to stave off pain entropy and death Without a deity or mythology to count on she spread her plea to the wider universe Send me a message I don't care what or how She awoke in the middle of the night sitting straight up in bed with these words before her The message is love Everything changed after that and this book is the message The lessons within are simple and obvious They also can be the most difficult things we do Maybe there's something for your soul in this book too **Second Chances** Gary Stromberg,Jane Merrill,2009-02-11 Inspiring true stories of recovery from the high pressure world of business They reached the pinnacle of their careers in spite of or sometimes because of substance abuse They struggled with sobriety while striving for success often risking their professional lives on the road to recovery Now with honesty courage and insight they share their remarkable stories Michael Deaver former White House deputy chief of staff describes his recovery as the single most powerful thing I've ever experienced even compared to meeting presidents and kings Andrew Zimmern celebrity chef and TV personality reveals how he applied the principles of recovery to his profession and that's when my career took off Michael Glasser CEO of Seven Jeans worked hard and partied harder until the threat of jail forced him to admit I needed help Walter Yetnikoff former president of CBS Records talks about leaving the music industry to find meaningful work that enhanced and was enhanced by his recovery You'll also hear from James Abernathy of the Abernathy MacGregor Group bestselling author William Cope Moyers and ten other business leaders who found newfound success through the healing power of second chances The Twelve Step Pathway Michael Cowl Gordon,2023-11-01 Uses the hero's journey as the path on which to travel for overcoming addiction and crisis and rescuing your own story This is a book about becoming heroic A hero is a person who faces great danger overcomes incalculable odds and accomplishes that which would have been thought especially by the hero to be impossible to achieve Considering the fear and pain that a person must experience in such an adventure it is a role that few would desire for themselves And yet more of us find ourselves in circumstances demanding heroism than one might imagine In fact people who are never called upon to be heroic at some point in their lives are in the minority if they exist at all This is not a book for people who might want to become heroic someday It is for people who are in the midst of a crisis and who must make a decision about whether they are going to face their situation survive rise above themselves and share their newfound knowledge with others who may need salvation And it is for those who are already traveling such a journey and who would like to gain a new understanding of themselves what their journey was and is about

and why it is so important Using the twelve step framework for understanding the inner work a person must do in order to overcome addiction Michael Cowl Gordon walks readers through the journey to inner salvation and peace Using the hero s journey as the path on which to travel through these steps he uncovers the deep work that it takes to be the hero in your own story *Fifty Years Sober* Ross Fitzgerald,2020-02-01 The reality is that if I hadn t stopped drinking and drugging at twenty five years of age I wouldn t have made twenty six This is Ross Fitzgerald s 42nd book an updated edition of his 2010 book *My Name is Ross* Although he has now succeeded in not drinking alcohol or using drugs for 50 years in this revised edition the author still calls himself an alcoholic and pays extended tribute to the role of Alcoholics Anonymous in keeping him on the wagon His involvement in AA has become a way of life he still attends two or three meetings a week A key aspect of AA s therapeutic process involves what can be termed the mechanism of surrender Instead of telling alcoholics to use their willpower control their drinking or pull up their socks AA suggests that a much more efficacious strategy is to admit that at least in relation to alcohol they are beaten With his insight into the scourge of numerous kinds of addiction Fitzgerald traces the journey of many alcoholics and drug addicts In this brutally honest and intimate portrayal of his fascinating life his struggles as well as his successes Fitzgerald doesn t shy away from his difficult times and regrets but ultimately has written an uplifting and inspiring book With the prevalence of alcohol in our daily lives for every celebration or sad occasion a book like this is needed more than ever *An Unsuspecting Trap* George E. Buttner,2007-07 *An Unsuspecting Trap* is a compelling and candid account of the author s struggles with alcoholism and his exploration of the events that led him down a path of self destruction At his mother s funeral George flashes back to the abuse abandonment and early frustrations that impoverished his personal growth and kept him imprisoned by his past for most of his adult life The disparagement and lack of guidance that characterized his early years led to his truancy low self worth a dramatic near death experience in the Navy and a long and agonizing bout with alcoholism However this story is not about one child being battered or even the drunkenness that followed but rather the human heart Not knowing why but knowing just the same it is about a child s resourceful spirit searching for its place in the sun It is about freeing whatever is good from the wreckage of my broken dreams Wishing for some of them to come true it is about a chance at having a hopeful future of being restored to full humanity and yes most of all it is about the necessary conviction that in sharing these things with others life will have peaceful promise for our children in the shrinking fast changing world we know today *Love Hunger Weight-Loss Workbook* Robert Hemfelt, Frank B. Minirth, Paul Meier, Sharon Sneed, 1991 A stand alone workbook that helps readers work through the psychological spiritual and physical aspects of food addiction through interactive questions and answers and self tests This weekly eating exercise and lifestyle plan insures successful dieting and weight maintenance with an easy to use menu exchange program for each week a behavioral diary inspirational meditations and weekly self examinations assessing spiritual growth *We are Driven* Robert Hemfelt, Frank B. Minirth, Paul D. Meier, 1991 Rather than be all we can be the

authors strive to help each of us who are susceptible to the drivenness which society values but are actually deadly live damaging addictions Recovering Me, Discovering Joy Vivian Eisenecher,2008 *The Path to Serenity* Robert Hemfelt,Richard Fowler,Paul Meier,1991 For the millions of people currently involved in Twelve Step recovery programs and anyone dealing with obsessive compulsive behaviors this latest offering from the Minirth Meier Clinic Series takes the abstract concepts of the Twelve Steps and reveals practical Christian ways to put them into daily practice AB Bookman's Weekly ,1998 **White Knuckles and Wishful Thinking** George Manter DuWors,1992 **We Never Left the Garden** Pamela Galadrial,1995 **Spirituality and Addiction** Steven L. Berg,1993 **Physician, Heal Thyself!** Earle M.,1989 The 12-Step Buddhist 10th Anniversary Edition Darren Littlejohn,2019-11-19 Rediscover the classic guide for recovery with this tenth anniversary edition that transcends genres by seamlessly integrating the 12 Step approach Buddhist principles and a compelling personal struggle with addiction and a quest for spiritual awakening Donald Altman author of *Living Kindness* The face of addiction and alcoholism is recognizable to many it may be a celebrity a colleague or even a loved one And though the 12 step program by itself can often bring initial success many addicts find themselves relapsing back into old ways and old patterns or replacing one addiction with another Working with the traditional 12 step philosophy Darren Littlejohn first shares his own journey and how he came to find the spiritual solace that has greatly enhanced his life in recovery Then he details out how his work integrating Buddhism into the traditional 12 step programs validates both aspects of the recovery process With accessible prose and in depth research he illustrates how each step such as admitting there is a problem seeking help engaging in a thorough self examination making amends for harm done and helping other addicts who want to recover fits into the Bodhisattva path This integration makes Buddhism accessible for addicts and the 12 steps understandable for Buddhists who may otherwise be at a loss to help those in need The 12 Step Buddhist is designed to be a complimentary practice to the traditional 12 step journey not a replacement While traditional programs help addicts become sober by removing the drug of choice and providing a spiritual path they rarely delve deep into what causes people to suffer in the first place In this unique synthesis of the traditional 12 Step model and the liberating wisdom of Dharma Mandala Magazine addicts can truly find a deep spiritual liberation from all causes and conditions of suffering for good
