Escaping the Black Hole Robert J. Schmonsees,2005 Sales and marketing are critical departments in any corporation but they never seem to work together very well Author Robert Schmonsees explains why this happens especially in the business to business sector However his blueprint for correcting sales marketing disconnects is somewhat swamped by his writing style which is full of repetitive prose and industry jargon Eager to describe and elaborate on various problems and solutions he tends to overuse numbered lists and circular flow charts In fact he sometimes enumerates good techniques for correcting a problem and returns to the same issue in a later chapter Pulling such concepts together would have aided his argument Thus the worthwhile ideas in the book are challenging to put into practice getAbstract believes that s unfortunate because the author s insights are helpful and a more systematic approach might have made them more accessible Patient readers will find this book useful *Fundamentals of Selling* Charles M. Futrell,1993 **The Secret to Selling More** Mitchell Gooze,2001 **The Video Source Book** David J. WEINER,1990 **Developing Negotiation Skills in Sales Personnel** David A. Stumm,1987-10-20 While sales negotiation is traditionally considered a formal process conducted by teams of buyers and sellers this handy reference recognizes that negotiating strategies and techniques are actually required in many instances in day to day selling activities as well and provides advice geared to the salesperson s specific daily needs The chapters present material in a factual step by step manner so it is easy to assimilate The work commences with an overview of the role and importance of skillful negotiation strategy in sales provides insight into the buyer s perspective and treats the strategic and psychological aspects of the interaction It then focuses on the negotiation tactics which are essential for the effective preparation application and closing of a sale While these concepts and skills are recognized as part of the formal negotiation process Stumm argues that most sales negotiations occur instead in daily informal conversations and presentations and he shows the reader how to recognize and use these situations for negotiating advantages
