English Unlimited A2 - Elementary. Teacher's Pack with DVD-ROM Alex Tilbury, 2010 English Unlimited A2 - Elementary/Coursebook Classware CD-ROM ,2011 **English Unlimited Elementary A Combo with DVD-ROMs (2)** Alex Tilbury, Theresa Clementson, Leslie Anne Hendra, David Rea, Maggie Baigent, Chris Cavey, Nick Robinson, 2013-07-18

English Unlimited is a six level A1 to C1 goals based course for adults Centred on purposeful real life objectives it prepares learners to use English independently for global communication Through universal topics and activities and a focus on intercultural competence as a fifth skill this international coursebook helps learners become more sensitive more effective communicators Teaching natural dependable language and with CEFR goals at its core it brings real life into the classroom and gives learners the skills and strategies to communicate confidently outside it The Explore sections provide the extra ingredients for enhancing communicative ability from further development of speaking skills to independent learning strategies The English Unlimited Elementary A Combo includes Coursebook units Intro to 7 as well as the e Portfolio and Self Study DVD ROM *Using Theories for Second Language Teaching and Learning* Dale T. Griffee, Greta Gorsuch, 2023-12-14

This book helps second language teachers use theories in their practice exploring in concrete and practical ways the intersections between teachers learners and institutions and theories of teaching theories of learning and theories of language These intersections provide language teachers with critical insights on how to deal with professional complexities and practical guidance on how to develop appropriate pedagogical practice By focusing on theories of teaching the authors give readers the tools to create a clear image of the kind of teacher they wish to be By exploring theories of learning they promote the formation of teachers personal theories which allow them to identify their own areas of special interest in learner achievement and enrichment By examining theories of language the book shows how administrators and teachers can use theories to identify course goals and plan priorities for class time Using Theories for Second Language Teaching and Learning treats theory as a concept in its own right and promotes knowing theory as a means of teacher discovery reflection and learning through case studies which are descriptions and analyses of teachers thinking and acting in classrooms and in the institutions in which they work Every chapter presents case studies with examples from the teaching of different languages including Chinese English French German and Korean An array of theories from multiple disciplines are featured and reflective projects are offered that lead readers to discover the importance and role of theory in daily professional life
