Saur Verlag GmbH & Company, Walter de Gruyter GmbH, 2005-10 The established reference work Guide to Reprints has been radically reworked for this edition Bibliographical data was substantially increased where information was obtainable In addition the user friendliness of Guide to Reprints was raised to the high level of other K G Saur directories through author title cross references a subject volume a person index and a publisher index In this edition the directory lists more than 60 000 titles from more than 350 publishers

Law Books in Print: Author Nicholas Triffin, 1987

Copyright and Creativity Andreas Rahmatian, 2011-10-01 A fresh innovative thought provoking look at the development of copyright law as it pertains to creativity and one that will give even the most experienced reader fresh insight into this tangled area of law The author s language ability German English French and interdisciplinary background law and music combine to enable him to add significant analytical depth to the subject A must read in a time when our creative industries are being called upon to help re build our shattered economy Charlotte Waelde University of Exeter UK Professor Rahmatian is perhaps uniquely placed to offer a complete rethinking of the nature and function of copyright Working with original materials in original languages he spans the continental and common law traditions in a breathtaking synthesis of the varied justifications and

uses or misuses of the concept of creativity as property Paul J Heald University of Georgia US Copyright and Creativity discusses the making of property out of creative works through the legal mechanism of copyright It shows the manner in which the law translates a great variety of expressions of the human mind into its normative system and transforms them into the property right of copyright or *droit d auteur* This timely book examines the proprietary features of copyright the inherent limitations of its powers and its justification and relationship to the non proprietary realm of the public domain The final parts of the book deal with the propertisation commodification of human authors themselves through their works as alienable objects of property the well known Romantic author critique as a sophisticated justification of that commodification and at an international level neo feudal and neo colonial developments as a result of this process This detailed study will appeal to undergraduate and postgraduate students legal sociologists and specialists in copyright property theory or legal theory and political philosophy with particular interest in property theory Practitioners within bodies involved in legal policy organisations concerned with law reform European institutions and international organisations will also find much to interest them in this book

Law Books Published ,1992 *Law Books Published 1993 Suppl* ,1994 **Seven Moralities of Human Resource Management** T. Klikauer,2014-10-28 Seven Moralities of Human Resource Management analyses morality of HRM from the perspective of American psychologist Laurence Kohlberg This book examines and makes value judgements on whether or not HRM is moral from the viewpoint of Kohlberg s seven stages of morality as a follow up study of the author s 2012 book Seven Management Moralities **Current Catalog** National Library of Medicine (U.S.),1968 First multi year cumulation covers six years 1965 70 *Current Index to Journals in Education* ,1995 **American Book Publishing Record** ,1984 *Human Resource Executive* ,1997 *Willing's Press Guide* ,2002 Coverage of publications outside the UK and in non English languages expands steadily until in 1991 it occupies enough of the Guide to require publication in parts *American Book Publishing Record Cumulative, 1950-1977* R.R. Bowker Company. Department of Bibliography,1978 *National Union Catalog* ,1973 Includes entries for maps and atlases **The Publishers Weekly** ,1972 **The British National Bibliography** Arthur James Wells,1979
