*Modi Demystified* Ramesh Menon,2014-12-01 3 00 000 km 5 200 events 10 million volunteers 814 million voters 282 seats The 2014 elections will be remembered for a campaign that captured the public imagination as never before At its heart was Narendra Modi 63 the

feisty chief minister of Gujarat for thirteen years bidding to be prime minister By the end of the campaign there was scarcely anyone who had not on television radio social media or at one of his rallies heard his message He too seemed to have grown from a regional satrap to a leader with a national stature Long before the results were out the outcome seemed a foregone conclusion Behind the ascent to prime minister though is a story of tough politics and hard strategy In spite of his achievements minorities are wary of his Hindu nationalist background and bureaucrats and party colleagues are jittery about his reputation as an autocrat Most of all he has never fully been able to exorcize the ghosts of the riots that took place on his watch in Gujarat in 2002 leading to doubts among his critics about how India s social fabric will fare during his term As he gets down to write a fresh chapter in the country s history Modi Demystified The Making of a Prime Minister takes a close up look at his rollercoaster ride to power In the process senior journalist Ramesh Menon reveals a man of many dimensions who will lead this diverse nation *Bharat Kaise Hua Modimaya* Santosh Kumar,2021-01-01 2014 2019 2014 This book *Bharat Kaise Hua Modimaya* by Santosh Kumar is a comprehensive analysis of India s transformation under the leadership of Narendra Modi It covers topics such as politics social change Indian governance political analysis Indian society economic development and cultural shifts It provides an in depth look at the changes that have taken place in India since 2014 *Bharat Kaise Hua Modimaya* by Santosh Kumar by India s transformation politics social change Narendra Modi Indian governance political analysis Indian society economic development cultural shifts **Narendra Modi: The Man, The Times** Nilanjan Mukhopadhyay,2023-06 About the Book THE FIRST AUTHORITATIVE BIOGRAPHY OF INDIA S CURRENT PRIME MINISTER On 26 December 2012 Narendra Modi was sworn in as the Chief Minister of Gujarat for the fourth time to extend his record tenure in office Even then his name prompted extremes of hate filled anger or outright adulation Since then despite polarising Gujarat and India in more ways than one he continues to do what it takes to survive in a democracy win elections Written by veteran journalist and writer Nilanjan Mukhopadhyay after several in depth interviews meticulous research and extensive travel through Gujarat this book reveals hitherto unknown aspects of Narendra Modi s psyche as a six year old boy selling tea to help out his father and distributing badges and raising slogans at the behest of a local political leader abandoning his family and wife in search of his definition of truth being initiated into the RSS as a fledgling who ran errands for his seniors and finally his meteoric rise after 2002 *Narendra Modi The Man The Times* is the definitive biography of a man who may have challenged the basic principles of a sovereign secular nation but emerged as an undisputed and larger than life leader **Modi's India** Christophe Jaffrelot,2021-08-03 A riveting account of how a popularly elected leader has steered the world s largest democracy toward authoritarianism and intolerance Over the past two decades thanks to Narendra Modi Hindu nationalism has been coupled with a form of national populism that has ensured its success at the polls first in Gujarat and then in India at large Modi managed to seduce a substantial number of citizens by promising them development and polarizing the electorate along ethno religious lines Both facets of this national populism found expression

in a highly personalized political style as Modi related directly to the voters through all kinds of channels of communication in order to saturate the public space Drawing on original interviews conducted across India Christophe Jaffrelot shows how Modi's government has moved India toward a new form of democracy an ethnic democracy that equates the majoritarian community with the nation and relegates Muslims and Christians to second class citizens who are harassed by vigilante groups He discusses how the promotion of Hindu nationalism has resulted in attacks against secularists intellectuals universities and NGOs Jaffrelot explains how the political system of India has acquired authoritarian features for other reasons too Eager to govern not only in New Delhi but also in the states the government has centralized power at the expense of federalism and undermined institutions that were part of the checks and balances including India's Supreme Court Modi's India is a sobering account of how a once vibrant democracy can go wrong when a government backed by popular consent suppresses dissent while growing increasingly intolerant of ethnic and religious minorities

**Staggering Forward** Bharat Karnad, 2018 There is a paradigm shift in India's politics With his clean reputation proven track record as chief minister of Gujarat and formidable leadership qualities on display Narendra Modi seemed the right fit for the prime minister's job and just the man to turn the country around after the decade long UPA rule by the modest and tongue tied Manmohan Singh Prime Minister Modi's first term however raises troubling questions How has his strongman persona and social background impacted policymaking Has Modi delivered on the high expectations to advance India's national interest and security Has the country's role in the region in Asia and the world changed become more meaningful What has been the effect of Modi's India First foreign policy on neighbours and with respect to raising India's stock in the world and showing the Indian military has teeth Especially with regard to the US Russia and China Analysing Prime Minister Modi's foreign and military policies in the context of India's evolving socio political and economic milieu this book offers a critical perspective that helps explain why India has not progressed much towards becoming a consequential power Argumentative and thought provoking **Staggering Forward** is a must read to understand India's foreign and national security policies since 2014

**Narendra Modi** Sañjaya Gauṛa, 2014 *Malevolent Republic* K. S. Komireddi, 2019 After decades of imperfect secularism presided over by an often corrupt Congress establishment Nehru's diverse republic has yielded to Hindu nationalism India is collapsing under the weight of its own contradictions Since 2014 the ruling BJP has unleashed forces that are irreversibly transforming the country Indian democracy honed over decades is now the chief enabler of Hindu extremism Bigotry has been ennobled as a healthy form of self assertion and anti Muslim vitriol has deluged the mainstream with religious minorities living in terror of a vengeful majority Congress now mimics Modi other parties pray for a miracle In this blistering critique of India from Indira Gandhi to the present Komireddi lays bare the cowardly concessions to the Hindu right convenient distortions of India's past and demeaning bribes to minorities that led to Modi's decisive electoral victory If secularists fail to reclaim the republic from Hindu nationalists Komireddi argues India will become Pakistan by another name

The rise of Narendra Modi is a watershed moment in Indian politics. In fact, such is the magnitude of his influence on the country that India's governance paradigm and political history can be easily divided into two distinct eras: pre-Modi and post-Modi. Modi became the chief minister of the Indian state of Gujarat in 2001. He was undefeated in all subsequent elections and became the state's longest-serving chief minister. While Modi strode Gujarat like a colossus propelling multi-dimensional progress, bigger responsibilities beckoned. Modi's exemplary success in Gujarat paved the way for him to be popularly elected India's prime minister in an overwhelming victory in 2014. He is a prime minister unlike anyone earlier, both in terms of appeal and body of work. As a result, in 2019 he was re-elected with an even bigger mandate. His appeal is the result of his work in many domains over a long social, political, and administrative career. Modi's impact is not restricted to India alone, and numerous national and international polls regularly declare that he is the most popular international leader. In 2021, Modi completed twenty continuous years as the head of a government. This book, a compilation of chapters authored by eminent intellectuals and domain experts, attempts a definitive and expansive exploration into the fundamental transformation of Gujarat and India over the last twenty years due to Modi's unique model of governance.
