Dear Sir/Madam,

Application for a Warehouse Operative

I would like to apply for the role of warehouse operative which I have seen advertised in (where) and (when).

I have previous experience of working in a warehouse (can you say what setting, products etc if relevant to the role you are applying for).

I have a good working knowledge of Health and Safety and the precautions and procedures which need to be followed in a busy warehouse. I work well as part of a team and have been used to working with hand controlled scanners for picking any products.

I have always worked on different shifts whether it be day or night shifts and I am happy to do a mix of these for any new role. I am a hard working individual and enjoy working in a warehouse setting. I would like to continue my career in this setting and maybe take my forklift truck qualifications and anything else to improve my skills for my employer.

Please find enclosed my CV. If you need any further information please do not hesitate to contact me.

Thank you for taking the time to read my letter and CV. I look forward to hearing from you.

Yours sincerely
