Tell a story

Start with an emotional appeal or tell a compelling story of how your work helped change something for the better. Gather a few stories together and use the strongest one at the beginning.

What we do and why

Here is where you outline the bigger picture of your relevance. Talk about how you are meeting the needs of the community. Here's your chance to educate donors on what's happening in the sector and present on-ground insights that only you have evidence for. What evidence is there that your cause serves a pressing need? How do you propose to overcome this obstacle? What is your plan?

Include:

- Brief history of the organization
- Background about the organization that conveys to the donor a credible tradition of meaningful fulfillment of its mission, good stewardship of resources, and positive impact on its community.
- Key programs or information about a capital campaign you are running
- Your mission

Our Vision

Your vision is your description of what the community will have if you accomplish your goals. It is the higher, aspirational, reason you exist and should lead all of your communications. What is your vision for the future? Provide a general roadmap of where you are headed here - and make sure you're thinking big.

How do we use our money?

Show you have a clear financial plan based on solid research and you know what you are doing with the money.

- Establish financial strength by highlighting past successes
- Include a financial statement with projected income and expenditure
- Showcase future financial goals (either project specific or org wide)
