

Computational Methods for Engineers
with MATLAB applications

James B. Riggs

The book cover features a dark blue background with a complex, abstract graphic design. The design consists of several overlapping, curved, and wavy lines that create a sense of depth and movement. The lines are rendered in a light blue or white color, and they are densely packed in some areas, creating a grid-like or mesh-like appearance. The overall effect is reminiscent of a topographical map or a technical drawing of a curved surface. The text is positioned at the top and bottom of the cover, with the title in a bold, sans-serif font and the author's name in a slightly smaller, bold, sans-serif font.
