Conscious Business in Germany Nicolas Josef Stahlhofer, Christian Schmidkonz, Patricia Kraft, 2017-11-23 This book presents conscious business as a constantly expanding and powerful approach to reinvent and shape organizations in a human and beneficial manner In particular it examines the core characteristics main drivers and challenges of conscious businesses in Germany The book offers a structured overview of the current situation of the concept and outlines important issues that need to be considered in order to make independent decisions Four case studies of successful conscious companies differing in terms of their size industry legal form and international orientation reveal concrete best practices and provide evidence for the approach s ability to deliver business paradigms that are simultaneously purposeful and profitable

The Inner Journey to Conscious Leadership Paul Ward, 2018-05-01 Conscious leadership is a journey not a destination and it starts with the simple framework of practices found in this book Paul Ward draws on his coaching consulting and leadership experience along with his academic studies and the writings of experts in the emerging fields of conscious leadership and conscious business to illustrate the real life application of conscious leadership practices Conscious leaders he explains want to make the world a better place to live and work They constantly ask themselves three questions What am I noticing What are my intentions about what I am noticing

What responsible actions can I take in response to what I am noticing The themes of noticing what is going on setting intention and acting responsibly provide a framework for learning about the practices for leading consciously Using all the conscious leadership practices provides a process of transformation on your inner journey to becoming a more conscious leader This book is for leaders and even if you dont consider yourself to be a leader you can apply the practices to living and leading consciously The practices are simple but they are not easy It will take dedication a leap of faith and daily practice to navigate The Inner Journey to Conscious Leadership **Better Business Better Future** Elisabet Lagerstedt,2022-01-01 An excellent read for entrepreneurs corporate business leaders board members and strategists aiming to future proof their business by integrating sustainability into the very core This book offers a way forward helps you understand the Sustainability Revolution and provides valuable insights into the journeys and strategic choices of sustainability trailblazers such as Patagonia Interface rsted Unilever IKEA Oatly and others Because you are not the first company to discover the potential in doing well by doing good or as William Gibson said The future is already here it s just not very evenly distributed Still many wicked problems urgently need innovative solutions Solutions that the world of business is particularly well equipped to address through the ingenuity creativity collaboration and resources that it can so often call forth more effectively and efficiently than other human organizations Here and now this requires a move beyond business as usual and a transformation into Better Business **The Art of Co-Creation** Bryan R. Rill,Matti M. Hämäläinen,2018-08-20 This book illustrates how to design and implement co creation a powerful form of collective creativity that harnesses the potential of teams and can generate breakthrough insights Skilled leaders and facilitators can utilize this approach to unleash the creative potential of their organizations Drawing from years of applied research the authors bring together insights from the fields of design and organizational development into an evocative and pragmatic how to guidebook Taking a human centred rather than process oriented perspective the book argues that experience design separates true co creation from other forms of collective efforts and design thinking Collective moments of creative insight emerge from the space between an experience of flow and synchronicity from which new ideas spring forth How to create and hold this space is the secret to the art of co creation Collective breakthroughs require stakeholders to undergo a journey from the world of their existing expertise into spaces of new potential It requires leaders moving from a position of dominating space to holding the space for others and developing core capacities such as empathy and awareness so that teams can engage each other co creatively This book uncovers the secrets of this journey enabling process designers to develop more effective programs **The Expertise Economy** Kelly Palmer,David Blake,2018-09-18 As seen in Fast Company Inc Entrepreneur Quartz at Work Big Think Chief Learning Officer Chief Executive Officer and featured in the Financial Times and Forbes Recommended Reading for Creative Leaders Nominated for a GetAbstract International Book Award at Frankfurt Book Fair as one of the top 10 business books of the year 2019 Selected as a best business book of 2019 by SoundView Keeping people s skills in sync with fast changing
