**Contemporary Research in Commerce and Management** Dr. V. Dheenadhayalan & Dr. C.Vijai, About the Book Contemporary research in commerce and management is a rapidly growing field that focuses on developing innovative solutions to the challenges facing businesses and organizations in today's rapidly changing global marketplace. Some of the key areas of focus in contemporary research in commerce and management include:

- 1 Digital Transformation Research focuses on the impact of digital technologies on business processes, customer behavior, and the wider economy.
- 2 Sustainability and Corporate Social Responsibility (CSR) Research aims to explore the role of businesses in promoting sustainable development and fulfilling their social and environmental responsibilities.
- 3 Data Analytics and Business Intelligence Research focuses on the use of data and analytics to inform business decisions and strategies.
- 4 Customer Experience (CX) Research explores the customer's experience of a company's products and services and how to improve it.
- 5 Strategic Management Research examines the decisions and actions of top-level managers and how they impact a firm's overall performance.
- 6 Supply Chain Management Research examines the design, management, and improvement of the systems that are involved in the production and delivery of goods and services.
- 7 Human Resource Management Research focuses on the management of employees, including issues related to recruitment, training, performance management, and compensation.

These are just a few examples of the areas of contemporary research in commerce and management. As the business environment continues to evolve, new challenges and opportunities will emerge, and researchers will continue to work to advance our understanding of how organizations can operate effectively in this changing landscape. By keeping these things in mind, the editors decided to identify and publish the potential research in the above-mentioned areas, and this book will explore the possible changes that are going to happen in the field of commerce and management. Thanks to all the distinguished Research Paper Contributors of this Book and a special thanks to Sankalp publisher who scalped this manuscript into a book.
