Communicating About Health Current Issues And Perspectives:

Communicating about Health Athena du Pré, PH D Distinguished University Professor in the Department of Communication Athena Du Pré, Barbara Cook Overton, 2020-06-25 Now in its sixth edition *Communicating About Health Current Issues and Perspectives* continues to live up to its long standing reputation as the most dynamic and current exploration of health communication on the market The book offers rich current research and in depth analysis of the cultural social and organizational issues that influence health communication and health advocacy *Communicating About Health* is an indispensable resource for readers seeking to improve their communication abilities in fields related to health This text explores health communication through the eyes of patients care providers healthcare leaders campaign designers and more Readers will learn how culture media personal identity technology social networks and other factors contribute to health and healing Visit www.oup.com/he/dupre6e for access to a wealth of digital resources for both instructors and students *Communicating About Health: Current Issues and Perspectives* Athena DuPré, 2005 This text provides a research based thorough overview of health communication balancing theory with practical advice and examples that encourage students to further develop their own communication skills In a broad survey of the field approached from the perspectives of both caregiver and patient it offers solid coverage of the history of health care an examination of culture s role in health and healing and a look at current issues and challenges facing health care The new edition includes expanded coverage of diversity among patients and of the impact of technology on health care communication today **Authoring Patient Records** Michael Pagano, 2010-10-25 This text offers tips and exercises for enhancing recordkeeping with minimal time extensions and illustrates the importance of effective documentation for quality care safety continuity of care and legal compliance including adherence to HIPAA regulations Back cover **Health Communication in the New Media Landscape** Jerry C. Parker, Esther Thorson, 2008-10-20 This is a timely discussion of using new information technologies and media for communicating diverse health information to diverse audiences This book is useful readable current well organized and seems to be a unique contribution Doody s In this volume there are examples of how advances in technology not only empower individuals in their interactions with a health system but also enable health professionals to better tailor their work and time for the benefit of patients and clients Paul R Gully MB ChB FRCPC FFPH World Health Organization Geneva Switzerland From the Foreword To date little guidance exists for health care professionals who want and need new ways to communicate health information with each other their patients and the general public To address this need *Health Communication in the New Media Landscape* presents innovative media based methods of communication to graduate students educators health care professionals public health officials and communication experts *Health Communication in the New Media Landscape* demonstrates the extent to which modern digital technology can serve as the most practical and efficient form of distributing health related information The authors are confident that if implemented wisely technology can

and will transform the face of health communication as we know it This unique book addresses the following The role technology can and will play in health communication How new media can be used to improve health literacy How patients can learn about health related issues and health care New ways practitioners will be able to communicate with their patients How persons with chronic diseases learn about resources support systems and rehabilitation The impact of the new media landscape on health care providers insurance companies and health care policies

Patient Provider Interaction Lisa Sparks, Melinda Villagran, 2010-11 This book offers a much needed introduction to the dynamics of the communication exchange between providers and patients in the health care environment Starting from the principle that health care providers and patients try to speak the same language to reach the best decisions for patient care but often misunderstand each other whilst navigating the process of diagnosis treatment and care Lisa Sparks and Melinda Villagran clearly explain how health communication theory and research can help us better understand these complex interactions and provide strategies for improving patient and provider communication Sparks and Villagran cover a broad range of key issues and theories related to provider patient interaction including patient information and affective needs barriers to effective communication in health care contexts and communication skills training for providers Drawing on the most current literature in this vibrant field they show the transformations that new technologies such as e mail and text messaging have brought to communication with and between patients and providers consider the roles of caregivers both formal and informal and illustrate how health care organizations impact on interpersonal interactions Throughout the book Sparks and Villagran deftly illustrate how communicative understandings of patient provider interaction can have positive practical outcomes feeding into health behaviour change creating a communication environment which can improve health literacy and ultimately lead to better health outcomes With groundbreaking insights on point explanations and deeply moving examples Patient and Provider Interaction illuminates and enriches what is most often one of the most important interactions of our lives

Medical Tourism and Wellness Frederick J. DeMicco, 2017-04-28 *Medical Tourism and Wellness Hospitality Bridging Healthcare H2H* takes a systems approach to examining the growing field of medical tourism one of the field's hottest niches with billions of dollars spent each year This important book fills the need for a modern management book that looks at medical tourism in depth from a medical and hospitality operational management perspective Growing numbers of people are going abroad to find affordable quality medical care for both necessary and cosmetic medical services When they require surgery or dental work they combine it with a trip to the Taj Mahal a photo safari on the African veldt or a stay at a luxury hotel or at a hospital that feels like one all at bargain basement prices The book takes a comprehensive look at medical tourism covering such topics as The history of medical tourism Why patients tourists decide to travel for medical care The role of professional facilitators of medical tourism Key countries and medical disciplines in medical tourism Transportation food entertainment and hotel hospitality services Hotel and spa designs for medical tourism Best practices in medical tourism

Patient follow up after medical discharge Future trends in medical tourism Careers in medical tourism With the inclusion of case studies the book provides a comprehensive look into this growing trend and will be valuable to upper level undergraduate and graduate students in health care administration and those pursuing MBAs in healthcare medical students pursuing a management focus and students in hospitality management It will also be a must have resource for professionals working in hotels and in health care

Communication Yearbook 32 Christina S. Beck,2012-09-10 The Communication Yearbook annuals publish diverse state of the art literature reviews across the field of communication Sponsored by the International Communication Association volumes offer insightful descriptions of research as well as reflections on the implications of those findings for other areas of the discipline Editor Christina S Beck presents a diverse international selection of articles that highlight empirical and theoretical intersections in the communication discipline Pharmaceutical Advertising as a Source of Consumer Self-Empowerment Isabell Koinig,2016-03-09 Isabell Koinig examines how a standardized promotional message for a fictitious over the counter OTC medication is perceived by consumers in four different countries Austria Germany the U S and Brazil and the degree to which it contributes to their self empowerment Building on previous research informative appeals were expected to not only be most appealing but also to aid consumers in making qualified and reasonable decisions educating and empowering them by strengthening their beliefs in their own capabilities A field study on three continents revealed mixed promotional messages to be most effective with regard to both ad evaluation and consumer self empowerment
