**PROPOSALS** and reports have a similar layout (*see reports in this same section*). Reports are based on current circumstances or situations whereas **proposals are action plans for the future**. You give more space to the current situation in a report and more space to recommendations for future actions in a proposal.

### Hints

2. Group your ideas under headings for each section of your proposal.
3. Write a first draft, paying attention to the level of formality of the language.

Don't forget!

- Begin by stating the purpose of your proposal.
- Use an impersonal, semi-formal style.
- Use clear layout with headings.
- Express opinions and make recommendations in the last section of your proposal.
- Include a final sentence summarising your opinion.
- Use bullet points but not too many.
