INTERVIEW QUESTIONS

How do you stay up to date with financial news and trends?

"I stay updated with financial news and trends by regularly reading industry publications, following financial news websites, and subscribing to relevant newsletters. I also attend webinars and industry events to learn about new developments. This helps me stay informed about changes in the banking sector and financial regulations."

Can you explain the difference between a savings account and a checking account?

"A savings account is designed for storing money that you don't need to access immediately. It usually offers interest on the deposited amount but has limits on the number of withdrawals you can make. A checking account, on the other hand, is used for daily transactions and provides easier access to your funds with features like checks and debit cards. Checking accounts typically don't offer high interest rates."
