**Is Digital Different?** Michael Moss, Barbara Endicott-Popovsky, 2015-09-11 This edited collection brings together global experts to explore the role of information professionals in the transition from an analogue to a digital environment The contributors including David Nicholas Valerie Johnson Tim Gollins and Scott David focus on the opportunities and challenges afforded by this new environment that is transforming the information landscape in ways that were scarcely imaginable a decade ago and is challenging the very existence of the traditional library and archive as more

and more resources become available on line and as computers and supporting networks become more and more powerful By drawing on examples of the impact of other new and emerging technologies on the information sciences in the past the book emphasises that information systems have always been shaped by available technologies that have transformed the creation capture preservation and discovery of content Key topics covered include Search in the digital environment RDF and the semantic web Crowd sourcing and engagement between institutions and individuals Development of information management system Security managing online risk Long term curation and preservation Rights and the Commons Finding archived records in the digital age Is Digital Different illustrates the ways in which the digital environment has the potential to transform scholarship and break down barriers between the academy and the wider community and draws out both the inherent challenges and the opportunities for information professionals globally Readership This book will be of particular to students particularly those on information studies programs and academics researchers and archivists globally

Northwest Counter-Terrorism Taskforce: the complete series Lisa Phillips, 2020-02-26 The complete series All five books in one collection Book 1 First Wave Just another Friday night Or is it Homeland Security Agent Dakota Pierce is in the Washington backwoods to sniff out domestic terrorism DEA rookie Josh Weber and his dog show up to uncover a mystery of their own When a young woman s body is discovered everything points to a local militia Book 2 Second Chance The agent left behind Stuck on probation with nothing to do but busywork Niall s case points to a research college hiding more secrets than the local police He meets Haley who is looking for her missing friend The former Navy sailor won t stop until she s figured out what the disappearance has to do with the Russians in Portland When the two collide a bigger plot is revealed One that puts hundreds in danger Book 3 Third Hour Hiding from her enemy Talia takes an assignment at a bank where she meets a dashing Secret Service agent Before anything can happen the NSA analyst is implicated in a cyber crime Mason knows there s more going on but Talia won t tell him what happened to her When the hacker closes in and the Secret Service office is targeted the only way to uncover what s really going on is for them all to trust each other But with their histories that s a whole lot easier said than done Book 4 Fourth Day A dead woman returns The trap is set Allyson can t get caught up in feelings Not when there s work to do The night her phone rings the voice on the other end changes everything Drawn into the latest Northwest Counter Terrorism Taskforce case Allyson has to figure out where her loyalties lie Sal knows things are changing with the team but he isn t sure what s next for him As soon as he clears this one last investigation he ll figure it out Trouble is finding Allyson might be the hardest thing he s ever done Book 5 Final Stand A vendetta The biggest case of her life Victoria Bramlyn has been a spy a State Department Director team leader and friend But there s one role she s never realized The woman in Mark Welvern s life When the capture of a corrupt FBI agent and one of the FBI s Ten Most Wanted is finally within her grasp Victoria has to make one last choice between the people she loves and the score she needs to settle Mark has loved Victoria for years But there just might be too much history between Victoria and Mark for them to make a

relationship work When the truth about everything she s done comes to light his loyalty to her is tested and he is forced to decide between duty and having what he s always wanted Will he give it all up for her Love meets obligation head on in this explosive conclusion to what readers are calling a five star series The Northwest Counter Terrorism Task Force is on the case
