Secret Protocol

Marco Cascella

Secret Protocol:

The Secret Protocol Antonella Salomoni, 2026-01-06 In 1939 the Soviet Union and Germany agreed to a nonaggression treaty named for its signatories foreign ministers Vyacheslav Molotov and Joachim von Ribbentrop. Kept hidden from the public was an addendum to the Molotov Ribbentrop Pact: a secret protocol whose existence was denied by the Soviet Union until 1992. It defined new borders for German and Soviet spheres of influence, effectively preparing for the partition of Poland, the Baltic states, and Bessarabia. Shortly after signing on August 23, 1939, both the USSR and Nazi Germany invaded Poland. In this volume, Antonella Salomoni scrutinizes this consequential document and its afterlives, focusing predominantly on the discourse that surrounded it. From the moment of the secret protocol's inception and the near instantaneous rumors of its existence, it generated friction and competing narratives. The document became public during the Nuremberg trials, but the USSR declared it a fabrication, evidencing the West's willingness to falsify history. It continues to be relevant to the reconfiguration of history currently advanced by Vladimir Putin. By centering the rumors, accusations, and propaganda, the pact precipitated. Salomoni illuminates how political actors can use and abuse history, how they create and disseminate truths and falsehoods, and how they can blur the boundary between facts and fictions, even in the glaring face of black and white documentation.

Computer Security – ESORICS 2016 Ioannis Askoxylakis, Sotiris Ioannidis, Sokratis Katsikas, Catherine Meadows, 2016-09-14 The two volume set LNCS 9878 and 9879 constitutes the refereed proceedings of the 21st European Symposium on Research in Computer Security ESORICS 2016 held in Heraklion, Greece, in September 2016. The 60 revised full papers presented were carefully reviewed and selected from 285 submissions. The papers cover a wide range of topics in security and privacy, including data protection, systems security, network security, access control, authentication, and security in such emerging areas as cloud computing, cyber physical systems, and the Internet of Things.

The Secret Protocol Johannes Mario Simmel, 1987-04-01 A secret pact between the U.S. and the Soviet Union made in 1943 during the height of World War II has a profound impact on the lives of a disillusioned German television reporter, his long lost ex-Nazi father, and a political crusader out to prevent it.

War and Diplomacy Oleg A. Rzeshevsky, 2013-10-31 First Published in 1996. The value of this collection of Soviet documents, edited by Professor Rzeshevsky, is that it enables us more fully than before to understand in detail for the period 1941–42 what were the tensions which threatened cooperation and how, nonetheless, sufficient agreement was maintained to keep the alliance from falling apart.

Outlook Alfred Emanuel Smith, Francis Walton, 1910

Politics of Uncertainty Una Bergman, 2023 In 1989, three Soviet republics—Estonia, Latvia, and Lithuania—known as the Baltic countries, started a determined push for independence, risking to destabilize the Soviet Union and to derail international negotiations on German reunification. *Politics of Uncertainty* traces Soviet and American responses to Baltic claims for independence and, in doing so, sheds light on the end of the Cold War.

Ideology, Politics, and Diplomacy in East Central Europe Mieczysław B. Biskupski, 2003 No region of the world has been more affected by the various

movements of the twentieth century than East Central Europe Broadly defined as comprising the historic territories of the Czechs Hungarians Poles and Slovaks East Central Europe has been shaped by the interaction of politics ideology and diplomacy especially by the policies of the Great Powers towards the east of Europe This book addresses Czech politics in Moravia and Czech politics in Bohemia in the nineteenth century the international politics of relief during World War I the Morgenthau Mission and the Polish Pogroms of 1919 the Hitler Stalin Pact and its influence on Poland in 1939 Hungarian Americans during World War II and Polish East German relations after World War II Contributors Bruce Garver M B B Biskupski Neal Pease William L Blackwood Anna M Cienciala Steven Bela Vardy and Douglas Selvage M B B Biskupski is Professor of History at Central Connecticut State University Document on German Foreign Policy, 1918-1945 United States Department of State,1957 *Documents on German Foreign Policy, 1918-1945, from the Archives of the German Foreign Ministry* Germany.
