The Regenerator and the Stirling Engine Allan J. Organ, 1997-03-06 The Regenerator and the Stirling Engine examines the basic scientific and engineering principles of the Regenerator and the Stirling engine Drawing upon his own research and collaboration with engine developers Allan J Organ offers solutions to many of the problems which have prevented these engines operating at the levels of efficiency of which they are theoretically capable The Regenerator and the Stirling Engine offers practising engineers and designers specific guidelines for building in optimum thermodynamic performance at the design stage COMPLETE CONTENTS Bridging the gap The Stirling cycle Heat transfer and the price Similarity and scaling Energetic similarity In support of similarity Hausen revised Connectivity and thermal shorting Real particle trajectories natural co ordinates The Stirling regenerator The Ritz rotary regenerator Compressibility effects Regenerator flow impedance Complex admittance experimental corroboration Steady flow Cf Nre correlations inferred from linear wave analysis Optimization Part I without the computer Optimization Part II cyclic steady state Elements of combustion Design study Hobbyhorse Origins Appendices

Agile Manufacturing Systems K Hans Raj, 2011-12-17 Agility has become very important for the industries today as the lifetimes of the products are continuously shrinking This book provides an excellent opportunity for updating understanding of agile methods from the design manufacturing and business process perspectives whether one is an industrial practitioner academic researcher engineer or business graduate student This volume is a compilation of various important aspects of agility consisting of systemic considerations in manufacturing agile software systems agile business systems agile operations research flexible manufacturing systems advanced manufacturing systems with improved materials and mechanical behavior of products agile aspects of design clean and green manufacturing systems environment agile defence systems
