Cat Who Touched the World was a blockbuster bestseller and a publishing phenomenon. It spent more than seven months on the New York Times bestseller list, nearly the entire time in the top five. It has sold nearly a million copies, spawned three children's books, and will be the basis for a movie starring Meryl Streep that is in the works. No doubt about it: this is one beloved cat. But he's more than just a bestselling franchise. Dewey has created a community. Dewey's Nine Lives continues the formula that made Dewey so successful: inspiring, funny, and heart-warming stories about cats told from the perspective of Dewey's Mum, librarian Vicki Myron. The amazing felines in this book include Dewey, of course, whose further-never-before-told adventures and amazing legacy are chronicled, but several others who Vicki found out about when their owners reached out to her. Vicki learned through extensive interviews and story sharing what made these cats special and how they fit into Dewey's community of perseverance and love.
